About BIG MF X

BIG MF X is a 60-year-old Olympic hopeful, actor, and legacy brand builder who rose from playing Junior Pierce on HBO's Oz to becoming a national force. After battling severe spinal stenosis, sleeping in his car for over a year, and nearly losing his ability to walk, he transformed his life through juicing, meditation, and purpose. Today, BIG MF X is a motivational powerhouse, signed to a major NIL deal and competing in Olympic Recurve Archery while building a cultural legacy that moves the world.
