Frank H. Whitman BIO

Frank Henry Whitman lovingly known as *Pancho* spent a good portion of his life dealing with the tough, tormented, underbelly of society. Yet those who came in contact with him were greeted by a man of warm dignity and unflinching compassion. A man whose eyes saw goodness where others sometimes did not, and through his eyes many students had a chance to see the goodness in themselves.

Born in Tampico, MX he lived in the Bay Area for more than 56 years. He attended Southern University, in Baton Rouge, LA. Pancho was a Life Member of Alpha Phi Alpha Fraternity, Inc.

He served in the US Navy and Army during World War II and Korea, he retired as a Major. He worked for nearly three decades as a Juvenile Probation Case Worker for the County of Alameda in California. He also spent more than 20 years of his life dedicated to the Alameda County of St. Vincent de Paul.

Frank Pancho Whitman died at the age of 81 on February 25, 2007. He was an active and dedicated Member of the Southern University Bay Area Alumni Chapter for several years.

For this reason we, Southern University Bay Area Alumni Chapter have dedicated a Scholarship in his honor.
