## FANTASTIC EXPERIENCE!!

We were retirees looking to "right size". It was a very difficult and emotional decision for us. Jenny was a godsend. She displayed an understanding and patience with us that was very much appreciated. She met any questions or needs we had in a timely manner and went out of her way to help us to deal with all the hassles of moving. She really went above and beyond. We would recommend her highly.

## JENNI WAS GREAT!

Jenni was great, she was determined to find me exactly what I was looking for, in the area I wanted to be. She found nice condo's for me to look at and we looked at a lot of them, till I had exactly what I wanted. I'm more than happy with my experiences with her.
