

Group Plans to Support Your Business

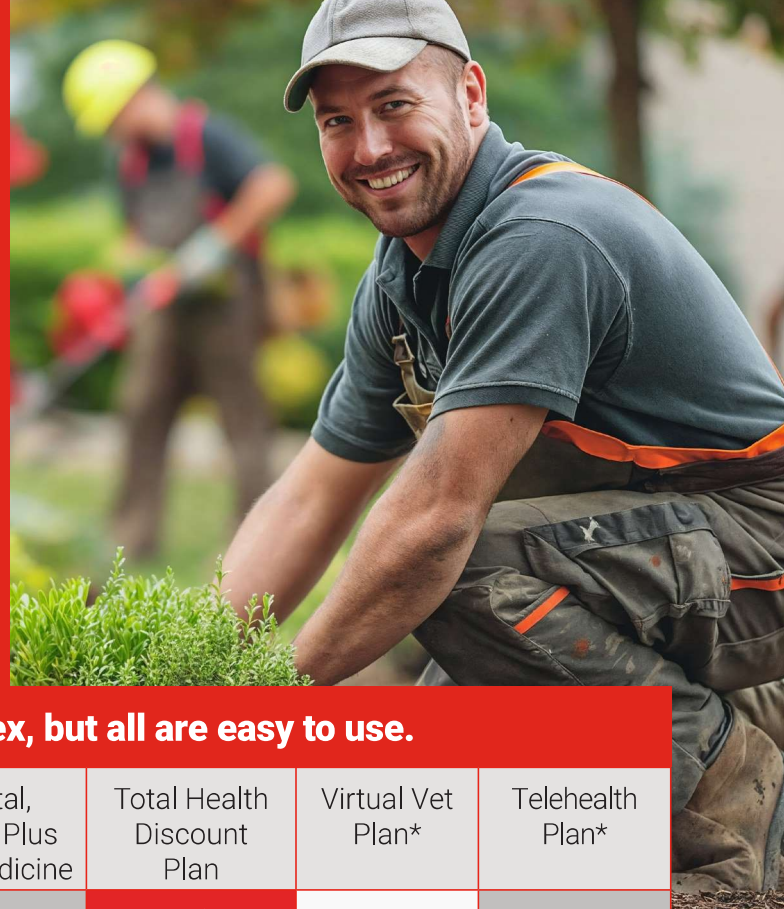

Careington Direct makes it easy to enroll your employees in a variety of healthcare savings and nontraditional programs. From dental & vision to telemedicine, you can easily fill the gaps left by many benefit packages or standalone offerings for all employee types.

Providing You and Your Employees Direct Access to In-Demand Products

When you offer your employees a Careington Direct plan, you provide them direct access to better health and a life well lived.

These plans are available to all employee types: full/part-time, retired and 1099.

Plans range from simple to complex, but all are easy to use.

How It Works

- Step 1: Choose your plan.**
Browse available product and service bundles on careingtondirect.com and select the right option to meet the needs of your employees.
- Step 2: Create an administrator account.**
The intuitive administrator dashboard allows you to view and manage employee information, access invoices and download plan information.
- Step 3: Upload your team.**
Add your employee roster via an Excel sheet and enroll each team member directly through the portal. ID cards are sent within days of employee file submission.

Team members receive ID cards within days, but discounts can be accessed immediately.
