

FRONTLINE SINGLES

Your Privacy is Our Prescription!

At **FRONTLINE SINGLES**, we are all about building healthy and meaningful **relationships**. That includes being transparent and responsible when it comes to your data. As a busy medical professional, we are keeping things simple, clear, and easy to understand.

This Privacy Policy (the "Privacy Policy") explains how **FRONTLINE SINGLES** uses and protects any information you provide when using our app. We uphold transparency and trust and we will explain how we handle your data.

What We Collect:

We collect information from you when you:

- **Sign up for FRONTLINE SINGLES:** We need some basic info, like your name, email address, and birthday to get you started.
- **Fill out your profile:** This is where you get to share your personality and interests. We might ask about things like your hobbies, what you're looking for in a partner, and your medical specialty (optional only).
- **Use certain features:** Some cool features, like seeing matches in your area, might require your location. We will always ask for your permission before using your location data.

We will never ask for sensitive information like your Social Security Number or credit card details. That's handled securely by the payment processors we work with.

Here is the summary of the data that we collect:

Category	Description
Contact Information	Your name, email address, postal address, phone number, and business contact information.
Identification and Demographics	Your date of birth, gender, nationality, ethnicity, interests, lifestyle information, a photo of yourself, height, geographic location, sexual orientation, sexual preferences, and other required and optional demographic information.
Medical Credentials	Your medical license or certification (optional, you can choose to provide this information or opt out).
Content	Photos, videos, reviews, comments, and other information you submit, such as messages in the app, online forums, and social media platforms.
Research and Feedback	Reviews, comments, and other feedback you provide through the app, social media platforms, email, phone, or mail.
Social Media Information	Information collected from your social media profiles (like Facebook or Google) if you choose to log in using those accounts. This may include name, email address, friend list, photo, age, gender, location, birthday, social

	networking ID, current city, comments, and the people and websites you follow.
Phone Contacts	Your phone contacts if you choose to provide access.
Additional Information	Any other information you provide through the app, support requests, or interactions on our social media channels.
Device Information and Identifiers	Your IP address, cookie IDs, browser types and language, operating systems, platform type, device type, and other similar information.
Connection and Usage Information	Domain names, browsing activity, scrolling and keystroke activity, advertisements viewed, forms or fields you complete or partially complete, search terms, whether you open an email, content you view and duration, quality of the service, and interaction with the content, logs, and other similar information.
Geolocation Information	City, state, and ZIP code associated with your IP address or derived through Wi-Fi triangulation.

How We Use Your Information:

We use your information for the following purposes:

Purpose	Description	Example
Providing and Improving the Services	We use your information to operate, maintain, and improve the app, including features like matching, messaging, and other functionality.	We use your location data to show you matches in your area. We use your interests and preferences to make better match suggestions. We use usage data to identify and fix bugs in the app.
Personalizing Your Experience	We use your information to personalize your experience on the app, such as showing you relevant matches, tailoring content, and providing you with a more personalized experience.	We use your medical specialty to show you matches who have similar interests. We use your activity data to personalize the content you see in the app (like suggesting matches based on your swiping behavior).
Processing Transactions	We use your information to process payments for any optional products or services you choose to purchase.	If you choose to purchase a premium subscription, we use your billing information to process the payment securely.
Communicating with You	We use your information to send you notifications, updates, and marketing communications, as well as to respond to your inquiries and feedback.	We send you notifications about new matches in your area. We send you updates about app features. We respond to your questions or feedback through the app or email.
Preventing Fraud and Abuse	We use your information to help detect and prevent fraud, abuse, and violations of our Terms of Service.	We may review your activity to identify suspicious behavior and prevent fake profiles from being created. We may use your

		information to verify your identity and prevent unauthorized access to your account.
Conducting Research	We may use your information for research and analysis purposes to improve the app and better understand our users.	We use anonymized data from all users to understand trends in dating preferences and how people are using the app.
Compliance	We may use your information to comply with applicable laws, regulations, and legal process.	We may provide your information to law enforcement if required by a court order or legal subpoena.

Sharing Your Information:

We may share your information with third parties in the following circumstances:

- **With Your Consent:** We may share your information with third parties with your express consent.
- **With Service Providers:** We may share your information with service providers who help us operate the app and provide you with the Services, such as payment processors, marketing companies, data analytics providers, and customer support providers. These service providers are required to protect your information in accordance with our Privacy Policy.
- **With Legal Authorities:** We may disclose your information to comply with legal process, enforce our Terms of Service, or to protect the rights, property, or safety of FRONTLINE SINGLES, our users, or others.
- **In Connection with Business Transactions:** If FRONTLINE SINGLES is involved in a merger, acquisition, or sale of assets, your information may be transferred to the acquiring entity. We will provide you with notice before your information is transferred and becomes subject to a different privacy policy.
