The Republican Women of Prince William (RWPW) is a Republican Women's Club which is part of the Virginia Federation of Republican Women and the National Federation of Republican Women. The club provides awesome opportunities to get involved in local, state and federal politics. There are many opportunities to lead or help with projects, attend meetings and seminars or work behind the scenes.

When one joins this club they also automatically become members of the Virginia Federation of Republican Women (vfrw.org) and the National Federation of Republican Women (nfrw.org).

The club is actively seeking new members-willingness, availability and belief in GOP principles are the only requirements. In addition, associate members...those who want to support and stay informed of the club's efforts but are members of another GOP women's club are welcome to join. If interested, please contact one of the officers or fill out the membership form and send it to our treasurer.

Let Freedom Ring!

Debbie Baxter, President
