**Novatech High Performance**

## The High Performance Door

Energy efficiency also goes through the front door

The front door can be considered the heart of your home. This is why we have taken the design of this steel door to another level in terms of energy performance. A door that keeps the cold winter air and the summer heat outside to make your home comfortable all year round.

- ✓ Improved Comfort
- ✓ Energy Efficiency
- ✓ Superior Durability
- ✓ Increased Security
- ✓ Unrivaled Soundproofing

## Harmonious Design

The high performance door is available in six models that can be matched with the complete collection of decorative glass in triple glazed format.

# CONTEMPORARY STYLE

# Design Collection Doors

The unique doors of this collection are the perfect counterpart to the horizontal lines that triumph in contemporary architecture. Minimalist yet bold, their design brings contrast to strongly textured facades, making the entrance a striking visual element. Vivid or neutral in color, Design Collection doors never go unnoticed.

## Vertical Accent NEW

Decorative accent for doors with a vertical doorlite. Available with an Alunox or black finish, the Accent is applied over a contemporary hybrid aluminum / PVC doorglass frame of the same color. This combination ensures a perfect seal and finish. Installs with automotive grade tape (included) for added durability.

### Accent, frame and 7 × 64" doorglass sets

Edge glass, Oso glass, sandblasted glass, or clear glass.

All other window models sold separately.

### Available colors

# Decorative Accents

Personalize the Design Collection doors with Decorative Accents. Made of Alunox - a material which offers the appearance of brushed stainless steel with all the advantages of aluminum: no corrosion, no oxidation or fingerprints. Elegant design with beveled contour. Installation with automotive grade tape for added durability.

# Grills

Grills are a great way to match your entrance to the rest of the windows on your classic style home. For a modern, contemporary look, choose a configuration with fewer dividers like our Classic and Country Style Grills. Best of all, our grills are between the glass meaning they are maintenance free and will never need to be cleaned.
