MADE Houston Student Pick-Up Form

I authorize the following people to pick my child(ren) up when school is dismissed. Please include yourself or other parents who may pick up.

** MADE Houston will make copies of the driver's license of anyone who picks up your child for the first time (e.g., in case of last minute changes, changes in nannies or caretakers). This form will be updated by parents/guardians if any changes need to be made. We will also contact primary guardians to confirm changes before releasing a child to a new person. **
