

Automated Dry Cleaning That Never Sleeps.

NO LINES. NO LIMITS.

CONVENIENCE THAT DELIVERS

Automated dry cleaning kiosks make drop-off and pickup faster, easier, and more convenient for customers. Available 24/7, these secure self-service kiosks let you drop off garments or retrieve clean items on your schedule. No lines, no waiting. Simple touchscreen guidance and reliable garment tracking ensure a seamless experience and peace of mind every step of the way.

BUILT FOR SIMPLICITY

Our kiosk is designed for simplicity—requiring only a standard 110V outlet and internet connection. No air compressors, no specialized electrical service, and fewer components to maintain.

USER-FRIENDLY INTERFACE

The user-friendly touchscreen interface, with visual *and* audio instructions, helps guide customers through each step quickly, making drop-off and pickup easy for users of all tech comfort levels.
