READY 2 WEAR

automated uniform system

Uniform Management. Simplified.

IS YOUR UNIFORM ROOM HOLDING YOU BACK?

Ready2Wear *transforms the way businesses store and distribute employee uniforms. Automate retrieval, reduce labor costs, maximize storage space, and give employees fast access to the garments they need – every shift.*

CHALLENGE

- ✗ Employees waiting for uniforms
- ✗ Lost or misplaced garments
- ✗ Time wasted searching racks
- ✗ High labor costs
- ✗ Limited storage space
- ✗ Manual inventory tracking

SOLUTION

- ✓ Employee Self-Service
- ✓ Fast Uniform Retrieval
- ✓ High-Capacity Storage
- ✓ Better Inventory Control
- ✓ Simple Installation
- ✓ Lower Operating Costs

Smarter Storage. Faster Distribution. Complete Accountability.
