MINUTES OF MEETING
OF
BOARD OF DIRECTORS

THE STATE OF TEXAS

§

COUNTY OF TRAVIS

§

BELVEDERE MUNICIPAL UTILITY DISTRICT

§

§

§

A regular meeting of the Board of Directors of Belvedere Municipal Utility District was held remotely on June 15, 2021, in accordance with the duly posted notice of said meeting. **The meeting was held remotely via videoconference call in accordance with the Governor’s March 16, 2020 proclamation, as extended, suspending certain open meetings statutes in response to the current COVID-19 pandemic and statewide disaster declaration. No physical meeting space was made available. The public was provided a free videoconference link and a toll-free number to call in and participate in the meeting.** The roll was called of the members of the Board of Directors, to-wit:

Peter Golde	President
James Koerner	Vice President
Kim Clifford	Director
Ronald Ubertini	Director
Steven Bryson	Assistant Secretary

All the above-referenced members of the Board were present via videoconference, thus constituting a quorum of the Board of Directors. All Directors in attendance voted on all matters that came before the Board. Also participating by videoconference or telephone were Jeff Monzingo of Montoya & Monzingo, LLP; Cathy Mitchell with Jones Carter Engineering, Inc.; Kathryn Thiel, Attorney and Fred Castro, Paralegal with Lloyd Gosselink Rochelle & Townsend, P.C.; and Mark Greene with the Belvedere Homeowners Association (“HOA”).

Director Golde called the meeting to order at 6:00 p.m. and announced the Board would first receive public comment. No comments from the general public were received by the Board.

The next item to come before the Board was to consider the approval of the minutes of the May 18, 2021 regular meeting. Mr. Castro noted that the draft minutes inaccurately reflect that Jason Baze with Jones Carter Engineering, Inc. attended the meeting which he did not, and requested that the Board approve the minutes with that edit. **Upon motion by Director Clifford, seconded by Director Bryson, and unanimously carried by the Directors present, the Board approved the minutes of the May 18, 2021 regular meeting as amended, attached as Exhibit A.**

The Board next considered the bookkeeper’s report, including payment of invoices, coordination on bookkeeping matters, TexPool investments, and reimbursement of costs to the Belvedere HOA (the “HOA”) under the Joint Use and Maintenance Agreement. Mr. Monzingo

presented a Bookkeeper's Report that included a list of invoices paid since the Board's last meeting, attached as **Exhibit B**. Mr. Monzingo presented a list of current invoices and requested that the Board authorize the transfer of \$10,000 from the District's Money Market Account to the District's Checking Account to pay bills and the transfer of \$561.01 to the District's Debt Service Account. Next, Director Clifford requested clarification on the dollar amount paid by the HOA to the District related to the Amenity Center Lot improvements. Mr. Greene stated that the HOA's share of \$3,425 in Change Orders for the project had not yet been reimbursed. The consensus of the Board was that HOA change order reimbursement be made upon completion of the project. **After discussion, upon motion by Director Koerner, seconded by Director Clifford, and unanimously carried by the Directors present, the Board approved and authorized payments of all invoices, and money transfers, outlined in Exhibit B attached.**

The next item to come before the Board was to consider action as necessary concerning a report from the District's liaison to the HOA and from the HOA liaison to the District. Director Koerner provided a brief update on the status of ongoing maintenance of the Belvedere Amenity Center and noted that work associated with (i) the security system for the building; (ii) routine pest control; and (iii) the sealing of access points to the building to prohibit intrusion by rodents and other wildlife had been completed. He stated that a resident website portal had been established by the HOA and noted that it contained a link to the District's website providing residents with easy access to District information. Director Koerner stated that the District's Finance Subcommittee would begin working with the HOA to address funding requirements for the operation and maintenance of District-owned facilities for the next fiscal year and to ensure that maintenance of recently added improvements was included in the list of facilities to be maintained.

Next, Mr. Greene stated that the HOA was prepared to send out notices and/or related information concerning the District through the use of the HOA's website resident connect portal should the Board need such a resource. Director Golde suggested that the posting of a link to the District's current Board meeting agendas would be useful. After discussion, it was the consensus of the Board that moving forward Mr. Castro provide the necessary website link to the Belvedere Community Manager that would take interested residents directly to the District's current Board meeting agenda.

Next, Mr. Greene provided his report as the HOA liaison to the District. He first stated that in connection with COVID-19 protocols related to the District's Amenity Center, he reported that the HOA Manager had been vaccinated and had been informed by her employer that she was no longer required to use a face mask. He stated that the HOA had contacted its attorney who advised the HOA to follow Centers for Disease Control and Prevention guidelines and stated that a sign would be posted at the entrance to the Amenity Center notifying visitors to the Amenity Center that face masks were not required if fully vaccinated and to please continue to practice social distancing of at least 6 feet. He stated that daily wipe downs of high-touch areas within the Amenity Center would continue to occur, and that routine cleaning by the HOA that occurs after rental events would be sufficient. Next, Mr. Greene stated that the HOA had requested a proposal from Sunscape for additional limited visits to address unsightly weeds that had overtaken newly landscaped areas within the Amenity Center lot and traffic islands. Mr. Greene stated that any proposal from Sunscape to address this issue would be presented to the Board before any action was taken by the HOA. He added that the HOA had requested a proposal from Sunscape for the

removal of wax myrtle stumps as well as a proposal for replacement plantings to be installed during the next budget cycle. Director Koerner noted that a topic of discussion by the District's Finance Subcommittee with the HOA would include the identification of costs associated with newly installed landscaping and the financial responsibilities by both entities for their upkeep. As a matter for the HOA Liaison to the District, Director Clifford inquired whether the typically annual inspections of the playground equipment to ensure safety had taken place. Mr. Greene stated that he would look into the issue and respond accordingly. Director Clifford requested that a report on the issue be provided to the Board at its next meeting.

The next item to come before the Board was to discuss, consider, and take action regarding COVID-19 restrictions, including restrictions relating to the use of the Belvedere Amenity Center. Ms. Thiel stated that it was anticipated that the Governor would not renew the Texas Open Meetings Act suspensions allowing remote meetings and in all likelihood, the Board should anticipate meeting in person next month. She stated that at the Board's last meeting discussion was had concerning the possibility of meeting less frequently than the current monthly schedule. Ms. Thiel stated that in discussing the issue with Mr. Monzingo, Mr. Monzingo requested that the Board meet in January, August, and September of each year to review and approve the District's audit of its financial records and to review and consider the adoption of the District's budget and the setting of the District's tax rates. Director Clifford inquired whether the District's consultants would be able to call into the meeting as a means of achieving potential cost savings in consultant fees. Ms. Thiel stated that the District's Attorney, including Mr. Castro, could participate remotely in Board meetings, upon the Board's request. She stated that her understanding of the Texas Open Meetings Act provisions would prohibit consultants from calling in, but would confirm with Ms. Albright and report back to the Board at its next meeting. After discussion, the consensus of the of the Board was to hold meetings in July, August and September and then plan to begin meeting less frequently than monthly.

Director Golde stated that the Board would next consider and take action regarding improvement, maintenance, and repair of existing and future assets owned or maintained by the District, including:

- A. Report from the District's Engineer;
- B. Update on Amenity Center Lot project;
- C. Change orders related to the Amenity Center Lot project; and
- D. Repairs, maintenance, upgrades, and services related to the Amenity Center security system.

Ms. Mitchell reviewed the District Engineer's report, attached as **Exhibit C**. The report included a brief overview of the Amenity Center Lot improvement project. Ms. Mitchell reported that Fazzone Construction was in the process of working through punch list items for the project and estimated that approximately two-thirds of the items had been addressed by the contractor. She stated that no pay estimates were being submitted for approval at this time. Ms. Mitchell reiterated that she had received a list of issues related to the project from Mr. Greene and stated that a number of the drainage issues noted by Mr. Greene would be addressed with an on-site visit.

Next, Ms. Mitchell stated that Sunscape had completed second quarter maintenance activities related to the District's trail and would monitor the trail in light of recent rains in the area. She stated that Sunscape had agreed to include the maintenance of the new crushed granite trails in its quarterly maintenance schedule at no additional cost. Ms. Mitchell stated that additional discussion was needed in connection with the long-term maintenance needs of the new parking lot as maintenance on a more frequent basis might be needed. Next Mr. Greene stated that resurfacing of the sports court was scheduled to take place within the next two to three weeks.

The next item to come before the Board was to consider and take action on the tracking of legislation impacting the District from the 87th Regular Session of the Texas Legislature. Ms. Thiel stated that the Governor's veto period had not yet expired. She stated that once the veto period expired her office would finalize the tracking memorandum of legislation of interest to the District and would provide a more comprehensive update at the Board's next meeting.

After discussion, there being no further business, and upon motion made by Director Clifford, seconded by Director Koerner, and unanimously carried by the Board members present, the meeting was adjourned at 6:37 p.m.

PASSED, APPROVED, AND ADOPTED THIS 20th day of July, 2021.

Kim Clifford, Secretary

Re: Monthly Status Report
Belvedere MUD Regular Board Meeting of July 20, 2021

Dear Directors:

The following is a brief summary that describes our activities during the past month:

1. **Amenity Center Lot Improvements** – We are working with Fazzone Construction to address the last few punchlist items. Presented for your approval is Pay Estimate No. 7 in the amount of \$19,173.96. The pay estimate is in order, and we recommend your approval.

BOARD ACTION: Approve Pay Estimate No. 7.

2. **Amenity Center Lot Drainage** – Some of the stormwater from the open space east of the Amenity Center parking lot is draining across the parking lot to the French drain in front of the building. The mulch and leaves carried in the stormwater pose a potential clogging issue for the drain. We propose installing stone curbs in a few strategic areas along the flagstone trails, and a culvert under the trail on the north side of the parking lot.

BOARD ACTION: Authorize us to design the drainage improvements and solicit pricing.

3. **Trail Facilities** – Sunscape addressed a few trail washouts in the month of June. They will be out next week to check for any new washouts. Their next quarterly visit is scheduled for July 29.

Should you have any questions or need additional information, please notify us.

Sincerely,

A handwritten signature in cursive script that reads 'Catherine B. Mitchell'.
