MINUTES OF MEETING OF BOARD OF DIRECTORS

| THE STATE OF TEXAS | § |
|--------------------------------------|---|
| | § |
| COUNTY OF TRAVIS | § |
| | § |
| BELVEDERE MUNICIPAL UTILITY DISTRICT | § |

A regular meeting of the Board of Directors of Belvedere Municipal Utility District was held on September 21, 2021, in accordance with the duly posted notice of said meeting. The roll was called of the members of the Board of Directors, to-wit:

| President |
|---------------------|
| Vice President |
| Director |
| Director |
| Assistant Secretary |
| |

All the above-referenced members of the Board were present, thus constituting a quorum of the Board of Directors. All Directors in attendance voted on all matters that came before the Board. Also in attendance were Jeff Monzingo with Montoya & Monzingo, LLP; Cathy Mitchell with Jones Carter Engineering, Inc.; Stefanie Albright and Kathryn Thiel, Attorneys and Fred Castro, Paralegal with Lloyd Gosselink Rochelle & Townsend, P.C.; and Mark Greene with the Belvedere Homeowners Association ("HOA").

Director Golde called the meeting to order at 6:00 p.m. and announced the Board would conduct a public hearing on a proposal to set a 2021 tax rate. Ms. Albright noted that her office had published the required notice of the District's Public Hearing. There being no individuals desiring to speak, Ms. Albright stated that, to allow residents an opportunity to address the Board in connection with the proposed tax rate, she suggested that the public hearing remain open to allow residents an opportunity to arrive while the Board attended to regular business.

Director Golde stated that the Board would next receive public comment. No comments from the public were received by the Board.

The next item to come before the Board was to consider the adoption of a budget for the 2021-2021 fiscal year. Mr. Monzingo presented for the Board's review a copy of the projected operating expenses for the District for the period of October 1, 2021 through September 30, 2022, provided as **Exhibit A**. Mr. Monzingo noted that his proposed budget was based upon the District Financial Advisor's recommendation that the Board set its debt service tax rate at \$0.18 per \$100 of assessed valuation based upon the District's Certification of 2021 Appraised Values from the Travis Central Appraisal District. The Board discussed several tax rates for maintenance and operations. **After discussion, upon motion by Director Koerner, seconded by Director Ubertini, and unanimously carried, the Board adopted the budget for the 2021-2022 fiscal**

year, provided as Exhibit B. Next, Ms. Albright announced that the public hearing on a proposal to set a tax rate for 2021 was now closed.

Director Golde stated that the Board would next discuss, consider, and take action as necessary to set a debt service tax rate, and to set an operations and maintenance tax rate for the year 2021. After discussion, upon motion by Director Bryson, and seconded by Director Ubertini, and unanimously carried, the Board adopted (1) a debt service tax rate of eighteen cents (\$0.18) per one hundred dollars (\$100) of assessed valuation, and a maintenance and operations tax rate of eight and one-half cents (\$0.085) per one hundred dollars (\$100) of assessed valuation for a total 2021 tax rate of twenty-six and one-half cents (\$0.265) per one hundred dollars (\$100) of assessed valuation, and (2) the Order Setting 2021 Debt Service Tax Rate And Operations And Maintenance Tax Rate, provided as Exhibit C. Director Koerner stated this year would be the seventh consecutive year that the Board had reduced the District's overall tax rate.

Director Golde stated the next item before the Board was to consider approval of an amendment to the District's Information Form. Ms. Albright noted that the form reflected the District's 2021 tax rate and was to be filed in the real property records of Travis County. Upon motion by Director Clifford, seconded by Director Ubertini, and unanimously carried by the Directors present, the Board approved the amendment to the District's Information Form, provided as Exhibit D.

Next, Director Golde announced the Board would take action concerning the approval of the minutes of the August 17, 2021 regular meeting. After discussion, upon motion by Director Koerner, seconded by Director Clifford, and unanimously carried by the Directors present, the Board approved the minutes of the August 17, 2021 regular meeting as presented, provided as Exhibit E.

The Board next considered the Bookkeeper's Report, including payment of invoices, coordination on bookkeeping matters, TexPool investments, and reimbursement of costs to the Belvedere HOA (the "HOA") under the Joint Use and Maintenance Agreement. Mr. Monzingo presented a Bookkeeper's Report, attached as **Exhibit F**. He requested that the Board authorize the transfer of \$50,000 from the District's Money Market Account to the District's Checking Account to pay bills. Mr. Monzingo proposed that the Board transfer \$31,367.76 in surplus bond funds from the District's Capital Project's Account to the Districts Checking Account to reimburse the District's Checking Account now that the final pay estimate to Fazzone Construction for Amenity Center Lot improvements had been issued. After discussion, upon motion by Director Koerner, seconded by Director Clifford, and unanimously carried by the Directors present, the Board approved and authorized payments of all invoices, and money transfers, including the transfer of \$31,367.76 from the District's Capital Projects Account to the District's Checking Account, as outlined in Exhibit F.

Director Golde stated that the Board would next consider action on amending the District's budget for the 2020-2021 fiscal year as presented by Mr. Monzingo. Mr. Monzingo proposed that the District's current budget be amended by increasing budgeted amounts for these categories: Other Income – Landscaping and Other Income – Insurance and increasing expenditures for Solid

Waste Disposal, Engineering Fees – Drainage and Trail Maintenance, Amenity Center Operations, Amenity Center Landscaping, and Bank Charges. After discussion, upon motion by Director Bryson, seconded by Director Ubertini, and unanimously carried by the Directors present, the Board adopted a resolution amending the District's 2020-2021 budget, attached as Exhibit G.

The next item to come before the Board was to consider action as necessary concerning a report from the District's liaison to the HOA and from the HOA liaison to the District. Director Koerner stated that discussions between the District's Finance Subcommittee and the HOA concerning adjustments to the Joint Use and Maintenance Agreement concerning landscape maintenance activities related to the Amenity Center Lot improvements were held and stated that the District's Finance Subcommittee proposed that costs for this expenditure category be split equally between the District and HOA as it pertains specifically to the landscaping services agreement with Sunscape and that the Board consider changing to landscape services directly with Sunscape, to take advantage of any sales tax cost savings afforded by doing so. After discussion, Director Koerner requested authorization to present such proposals to the HOA at their next meeting. After discussion, it was the consensus of the Board that Director Koerner is authorized, on behalf of the District, to present the subcommittee's proposal that landscape maintenance costs be split on an equal basis between the District and the HOA. Next, Director Koerner noted that it was his understanding in talking with Mark Greene that the HOA is currently undergoing a renewal of the HOA's insurance coverage and are dropping all insurance coverage associated with the Belvedere Amenity Center and District-owned amenities located within the boundaries of the Amenity Center lot. In response to an inquiry from Director Koerner, Ms. Albright confirmed that the District obtained insurance coverage on the Belvedere Amenity Center and District-owned amenities located within the Amenity Center lot upon the transfer of ownership from the HOA to the District.

Next, Mr. Greene stated that access to the restrooms from the swimming pool proved to be difficult as the existing door could not be retrofitted to accept an electronic access control system and the door will have to be replaced. He stated that several weeks lead time would be required to obtain a suitable replacement from the manufacturer of the door currently in place. Mr. Greene also stated that that the HOA was looking at more cost-efficient options but wanted to make the Board aware that a replacement door will be required.

Mr. Greene informed the Board that several new rules were enacted during the 87th Regular Session of the Texas Legislature specific to HOA operations and the HOA Board is in the process of reviewing the newly enacted requirements. He stated that the HOA and would make the Board aware of any changes that would need to be implemented by the HOA to comply with the law. He stated that the HOA Board had asked the HOA's Architectural Control Committee to come up with a set of rules to address the amount of total impervious cover that would be allowed per lot as there had been several casitas and outbuildings constructed throughout the neighborhood that were exceeding the impervious cover limits currently allowed. Mr. Greene stated that he would convey to the Board new restrictions concerning the size of outbuildings that would be allowed, the amount of impervious cover that would be allowed, including any rainwater harvesting offset permitted, and the sizing of any above-ground rainwater harvesting tanks that could be constructed.

Ms. Mitchell cautioned that the amount of total impervious cover allowable should be weighed against what the District's water quality facilities are designed to treat.

The next item to come before the Board was to consider the annual review of the District's Investment Policy. Ms. Albright noted that the Board was required to review and approve the District's Investment Policy on an annual basis. She added that upon review of the District's Investment Policy by her firm and Mr. Monzingo, the District's Investment Officer, no changes to the District's Investment Policy were recommended at this time. Upon motion by Director Clifford, seconded by Director Bryson, and unanimously carried, the Board adopted a resolution regarding its annual review of the District's Investment Policy, a copy attached as Exhibit H.

Director Golde stated that the Board would next consider and take action regarding improvement, maintenance, and repair of existing and future assets owned or maintained by the District, including:

- A. Report from the District's Engineer;
- B. Update on Amenity Center Lot project;
- C. Change orders related to the Amenity Center Lot project; and
- D. Repairs, maintenance, upgrades, and services related to the Amenity Center security system.

Ms. Mitchell reviewed the District Engineer's report, attached as <u>Exhibit I</u>. Ms. Mitchell presented a copy of Pay Estimate No. 9 and FINAL for \$39,497.17. She stated that Pay Estimate No. 9 included a copy of the Contractor's Affidavit of Bills Paid and Affidavit of Guarantee, the Concurrence Letter from Pharis Design, Inc., her firm's Certificate of Substantial Completion, and the Certificate of Acceptance by the Board accepting the improvements associated with the project.

Next, Ms. Mitchell stated that, in association with the District's Engineering Subcommittee, a proposed solution to the drainage issue in the open space north of the Amenity Center parking lot was being presented for the Board's consideration. She presented a proposal from DigDug Construction for \$6,730.00 that had been obtained to address this issue. After discussion, upon motion by Director Clifford, seconded by Director Bryson, and unanimously carried, the Board (i) approved Pay Estimate No. 9 and FINAL for \$39,497.17; (ii) authorized the Board President to execute a Certificate of Acceptance accepting the Amenity Center Lot Improvements; and (iii) approved a proposal from DigDug Construction for \$6,730.00 for drainage improvements, copies attached as Exhibit I.

Director Golde stated that the Board would next consider and take action regarding the process for the District's payment of invoices between regular meetings of the District Board of Directors. Ms. Albright presented this item and provided a resolution regarding the authorization of the payment of recurring invoices by the District's Bookkeeper, attached as **Exhibit J**. After discussion, upon motion by Director Koerner, seconded by Director Clifford, and unanimously carried, the Board adopted a resolution regarding the authorization of the payment of recurring invoices by the District's Bookkeeper, a copy attached as **Exhibit J**.

The next item to come before the Board was to consider action on a future Board meeting schedule. Director Koerner proposed that the Board not meet in October and December of this year with the next meeting of the Board to be held on November 16, 2021. After discussion, it was a consensus of the Board that the next meeting of the Board will be held on November 16, 2021.

Next, Ms. Mitchell inquired whether the Board's adoption of the resolution regarding the authorization of the payment of recurring invoices by the District's Bookkeeper would include payments to DigDug Construction under their proposal for drainage improvements approved by the Board this evening. After discussion, upon motion by Director Clifford, seconded by Director Koerner, and unanimously carried, the Board authorized the District's Bookkeeper and two Directors to review and approve progress payments, including final payment presented by DigDug Construction, under their proposal for drainage improvements approved by the Board.

Director Golde stated that the Board would next discuss and consider action regarding the May 7, 2022 Director Election. Ms. Albright stated that this was a standing item that would appear on the Board's meeting agenda to address any issues related to the Board's May 7, 2022 Director's Election moving forward.

After discussion, there being no further business, and upon motion made by Director Clifford, seconded by Director Koerner, and unanimously carried by the Board members present, the meeting was adjourned at 7:02 p.m.

PASSED, APPROVED, AND ADOPTED this 16th day of November, 2021.

Re:

Monthly Status Report

Belvedere MUD Regular Board Meeting of November 16, 2021

Dear Directors:

The following is a brief summary that describes our activities during the past month:

1. Drainage Facilities

- a. <u>Amenity Center Drainage Modifications</u> DigDug construction completed the drainage modifications on the north side of the Amenity Center parking lot.
- b. <u>Drainage Easement Maintenance</u> The drainage easement along the north side of the Amenity Center lot is in need of some maintenance. There is overgrown vegetation in a few areas that should be removed to allow for better flow, and there is some erosion occurring towards the west end of the easement that should be repaired. We are working with Sunscape on a price for this work. The resident who is building on the lot adjacent to this easement has also requested that the vegetation at the culvert headwall along Lakewood Ridge Cove be removed.

2. Trail Facilities

- a. <u>Quarterly Maintenance</u> Sunscape performed the quarterly maintenance on October 29. They repaired several significant washouts on the Lower Pond and Carlton Ridge Trails.
- b. <u>Amenity Center Trail</u> Sunscape is preparing a proposal to repair the erosion in the trail, and to place rock in a swale along the south edge of the trail. We will present their proposal at the meeting.

BOARD ACTION: Approve the proposal from Sunscape.

c. <u>2022 Trail Maintenance</u> – The trail maintenance planned for 2022 consists of addressing drainage issues adjacent to the Lower Pond, Shady, Carlton Ridge, and Meadow Loop Trails. We will reevaluate these areas to verify the scope of work.

Should you have any questions or need additional information, please notify us.

Sincerely,

Catherine Garza Mitchell, PE
