# INTRODUCTION

Welcome to Creation Autonomous Academy stands as a dynamic educational center, dedicated to empowering learners with accessible and high-quality materials. With a core mission to elevate educational standards, particularly within India, the Academy offers a diverse range of resources designed to foster intellectual growth and creative expression. Our online platform serves as a central hub for these materials, including a notable focus on creative writing, reflecting our commitment to nurturing diverse talents. We believe in the transformative power of education and strive to provide the tools necessary for individuals to achieve their full potential. This prospectus outlines the opportunities available through Creation Autonomous Academy, inviting you to join us on a journey of continuous learning and development.

# MISSION AND VISION

## ➔ Mission

Our mission to encapsulates a broad and ambitious goal, aiming to transform India's educational landscape. It signifies a commitment to ensuring that every Indian citizen, regardless of their socioeconomic background, geographical location, or any other differentiating factor, has access to an education that is not merely present, but fundamentally high-quality. This mission goes beyond simple literacy or enrollment rates

## ➔ Vision

"Till India gets quality education" is a vision of a nation where education empowers every individual to reach their full potential, contributing to a more prosperous and equitable society.

# FOUNDER AND PRINCIPAL

"Dear Parents and Students,

It is with immense joy and a deep sense of purpose that I welcome you to Creation Autonomous Academy. This institution was born from a vision to address the challenges of our current educational landscape and to provide quality education that is accessible to all. I witnessed firsthand the struggles faced by many due to an inadequate system, and I knew I had to act. At Creation Autonomous Academy, we are committed to nurturing not just academic excellence, but also the character and potential within each student. We believe in empowering individuals to become lifelong learners and contributors to a better society. Join us on this journey of transformative education."

**Dr. Ram Raj David,**  
Founder and Principal,  
Creation Autonomous Academy

We develop project  
for development and  
we franchise our  
project

# COURSE DETAILS

## ⊕ Primary School: Building Foundations

- **Language Arts:** "Our program ignites a love for reading and writing. Through phonics, engaging stories, and creative activities, children learn to communicate effectively and build a strong literacy base."
- **Mathematics:** "We make math fun! Through hands-on activities and games, students grasp fundamental concepts like counting, addition, and shapes, developing essential problem-solving skills."
- **Environmental Studies/Science:** "Little explorers discover the wonders of nature! We encourage curiosity through simple experiments and observation, learning about plants, animals, and our environment."
- **Social Studies:** "Children learn about their community, basic geography, and history. We focus on building good citizenship, and understanding the world around them."
- **Creative Arts:** "We nurture creativity through art, music, and drama. Students express themselves, develop imagination, and build confidence."
- **Physical Education:** "We promote healthy habits through active play and teamwork. Children develop motor skills, learn sportsmanship, and enjoy physical activity."

## ⊕ Middle School: Expanding Horizons

- **Language Arts:** "We delve into literature, refine writing skills, and build strong communication. Students analyze texts, craft essays, and deliver presentations, preparing for high school."
- **Mathematics:** "We introduce pre-algebra, algebra, and geometry, developing critical thinking and problem-solving skills. Students learn to apply math to real-world situations."
- **Science:** "Students explore life, physical, and earth science through experiments and inquiry. We emphasize the scientific method, data analysis, and critical thinking."
- **Social Studies:** "We examine world history, geography, and civics, fostering global awareness and understanding of diverse cultures. Students learn about their role in society."
- **Foreign Language:** "Students begin learning a new language, developing communication skills and cultural awareness."
- **Creative Arts:** "Students explore advanced art techniques, music theory, and theater. We encourage creativity and self-expression."
- **Physical Education:** "We promote fitness, teamwork, and healthy lifestyles. Students participate in team sports and learn about health and wellness."

# OPEN COURSE DETAILS

## ➔ Diploma in Developmental Studies, (D.D.S)

Diploma in Developmental Studies (D.D.S.) is for anyone who wants to understand and improve the world around them. It's about learning why communities face challenges and gaining practical skills to make positive change happen. You'll move beyond just knowing problems exist, to knowing how to be part of the solution.

### **Course Duration 2 Years**

Semester 1: Hermeneutics, Survey, Principles.

Semester 2: Language, Family of God, Holistic Development.

Semester 3: Discipline, Family, Spiritual Warfare.

Semester 4: Preaching, Counselling, Management.

## ➔ Diploma in First Aid, (D.FA)

Diploma in First Aid (D.FA) is about learning to be a calm, helpful presence in emergencies. It's not just theory; it's hands-on skills to help someone in need, giving you the confidence to act quickly and potentially save a life. You'll learn how to handle common injuries and illnesses, becoming a valuable asset to your community.

**Course Duration 1 Years**

**Subject:** Anatomy, First Aid, Clinical Practical and Nutrition

## ➔ Diploma in Computer Application, (D.C.A)

Diploma in Computer Application (D.C.A.) is your launchpad into the digital world. It's about learning the practical skills to use computers effectively, from software to basic programming, so you can confidently navigate and contribute to today's tech-driven world.

**Course Duration 6 Month**

**Application:** Microsoft Office, Internet and Typing
