ABOUT US

a life

a creative voice

a performance

- interrupted by a stroke...

The stark drama of Farley's stroke, and subsequent rocky recovery, is woven into the fabric of a funny, fresh, and musical cabaret. This unexpected journey she takes us on is a unique story, yet full of universal truths.

The realities and consequences of a stroke are brought to life as Farley cracks her life open and inspects it with bravery, music, and humor inspiring grateful audiences along the way.

A stroke of luck, indeed.
