

# Building Attachment-Informed LGBTQIA2S+ Affirmative Practices

Friday, August 16, 2024  
12:00-3:00 pm CST (Virtual via Zoom)

Topics include:

- Understanding the need for affirming spaces from an attachment-informed perspective
- Learn why building an affirming practice is more than what we simply 'show' to clients
- Discuss common areas of harm and how to avoid imparting psychological injury to those we serve
- Examine intrinsic biases and how they can impact the therapeutic relationship
