

Putting the payments in Payments Hub.

Whether you do business in person or online, Payments Hub has everything you need to get paid right from your computer.

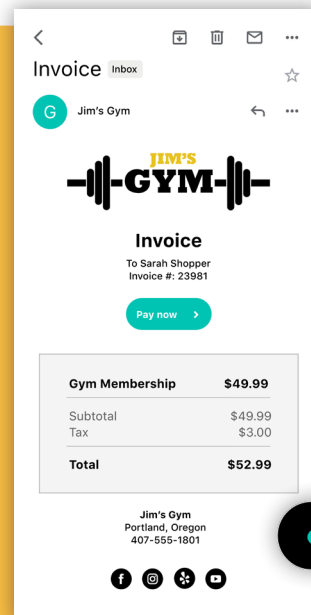

No hardware needed.

- ✓ Key in credit card information or use a customer's card on file on the Virtual Terminal.
- ✓ Send email or SMS text invoices and let your customer pay online.
- ✓ Customers can keep cards on file to simplify sales and get paid on time.

Built for YOUR business.

- ✓ Customize receipts, invoices, and the customer payment portal with your own logo, brand color, and more!
- ✓ Create engagement opportunities by displaying your social media profiles.
- ✓ Stay in the know with optional alerts specific to invoices payment status.

Invoice Alerts

- Invoice sent
- Invoice paid
- Invoice canceled
- Series enrolled
- Payment method updated
- Payment amount updated
- Payment failed
- Card on file added

Display social media buttons

Invoicing for every instance.

- ✓ Enter a custom invoice amount or make it itemized with your inventory.
- ✓ Create a one-time invoice or set up a series of recurring invoices with a repeat frequency of your choosing.
- ✓ Save an invoice as a draft or schedule an invoice to send at a later date.
- ✓ Edit payment amounts when changes are necessary.

Add Items

Q Enter items name to search inventory

Add express item

Edit payment amount

Lawn mowing	\$30.00
Edging	
Seasonal fertilizing	

New Invoice

Frequency	Recurring	Purchases	
Send Date	Immediately	Sale Amount	\$34.75
Last Send Date	Never	Tax	\$2.09
Repeat Every	1 Month(s)	Total	\$36.84
Invoice Name	Lawn Maintenance		
Due Date	Upon receipt		

Save as draft

Give customers the capability.

- ✓ Allow customers to pay invoices, manage saved payment methods, and view their payment history directly from their customer payment portal.
- ✓ Customers can select a default payment method and enable autopay for recurring invoices.
- ✓ Automatic alerts will notify customers of any changes to their invoice activity, including failed payments, payment amount updates, canceled invoices, and more.
