10. PHOTOGRAPHY AND FILMING

A big part of what we do involves media. During lessons, rehearsals, performances & other social activities, we will take photographs and videos of children in Banji's Class.

Occasionally, we may use these photographs and videos for advertising purposes in various publications (e.g. local information guides, newspapers, magazines, and social media) as well as in our own publications and website.

We will follow current guidelines on the use of photographs of children on the internet, ensuring that photographs and videos do not have any personal information about any child attached to them. We are unable to offer any remuneration for any photographs used.

We ask that you discuss this with your child before signing on their behalf (if under the age of 13).

Please then sign and return the form below, showing you have read and understood the above information. **We are unable to process your application without this.**

Parent/Guardian's Consent

4. I give consent for photographs and/or videos of my child/children taken in Banji's Class to be used for advertising and publicity of Banji's Class in printed and/or digital form. For example our flyers, banners and in magazines, + promo videos etc
