

TURN 2 ATHLETICS INC.

Dear Prospective Sponsor,

Turn 2 Athletics is a youth baseball organization for intermediate and advanced minority athletes with an enthusiasm for playing baseball. Our program consists of a talented group of young athletes and we take pride in providing access to competitive baseball in underserved communities. We are asking that you consider supporting our program.

To help our team succeed, we need your support. Travel baseball is an expensive sport to play at a competitive level, and many athletes of color are priced out due to expenses. With sponsorship from businesses like yours, we will help our players offset the costs associated with the program including uniforms, equipment, registration fees, training, team building activities, and more. Your support will provide our kids the opportunity to train better and compete at the highest level, while keeping our program affordable and allowing them to continue playing the sport they love.

Please consider giving to Turn 2 Athletics, where every dollar goes toward helping our kids develop into leaders on the field as well as in your community. Attached you will find details about the available sponsorship packages and donations. Please review and feel free to email us at turntwotigers@gmail.com if you have any questions.

Thank you in advance for your time and support. We look forward to working with you this season!

Kind Regards,

Turn 2 Athletics, Inc.
