

Partner Roundup 2022 In Review

Count it all Joy

2022 began with surgeries for both of us (tear duct for Laura and bladder cancer for Phil). That said, we rejoice that the surgeries were successful and follow up treatments are going well.

2022 also began with a clearer focus that led to a name change. Our original vision was to come along-side new churches to accelerate

the Great Commission (hence the name: Church Planting Partners). However, we learned when we said “church” people thought “building.” Additionally, part of our vision is to also help struggling churches become more gospel focused — hence the name tweak to **Gospel Planting Partners**.

Our weekday focus this year (and next year) is growing a Gospel Community in Whitehall, MT. Then we spend Sundays ministering to and encouraging churches in

Southwest Montana. We’ve seen several lives touched!

Sharing the Gospel in the West is labor and relationship intensive. However, Jesus, the “International Harvester” says “Sow and you SHALL reap.”

Ministry Partner Spotlight

Shortly before we left Montana in the fall of 2021, we met Brent and Jade Harrison at an evangelistic event sponsored by Expedition Church in Livingston. We spoke briefly and said, “Let’s talk again

sometime.” During the winter months, we continually prayed, “God please send us Gospel Planting Partners in Whitehall”. Guess who arrived in Whitehall in June 2022, two days before us? Brent and Jade Harrison!!

What an answer to prayer! Not only are they now precious friends and ministry partners, but they also have a virtual ministry to small churches needing someone to lead worship or provide musical accompaniment called CoveredWorshipServices.com.

Dooley Adventures

Have you ever watched “Ice Road Truckers”? We experienced the Dooley version on the 528 mile trek out of Montana over four mountain passes during a winter storm to get to a missions

conference at Faith Baptist Church outside of Salt Lake City, Utah. We found kingdom and harvest minded laborers at Faith Baptist reaching their neighbors with the Gospel and generously investing in Global missions! *“Thanks be to God for His unspeakable gift!”*

We are back in Missouri for the holidays but, God willing, we head back to Montana in January.
