

Partner Roundup January/February 2023

Overflowing with Gratitude

“...Overflowing with gratitude” (Col 2:7) describes our journey into 2023. God granted us a sweet holiday

season with family. God provided wonderful “winter quarters” in Whitehall. God provides ongoing encouragement through a 12-person SW Montana rural church

planting network. God continues to open doors for partnerships with churches, pastors, and associations. God provides traveling mercies on the roads and over mountain passes (see pic) as we minister to Montana churches on Sunday mornings. God’s healing, in concert with modern medicine, provides hope that Phil’s cancer treatments are about to end. *“His mercies are new every morning, great is His faithfulness”* (Lam 3:23). We need prayers for “good soil” (people receptive and responsive to the Gospel) in Whitehall. We continue to sow Gospel seeds, but Montana is hard soil!! Phil is involved in the Whitehall Veterans organization, Laura is in the Whitehall Chamber of Commerce, we meet weekly with our Gospel Community, and monthly for Community of Hope services.

Praises

- Wonderful partners including our SW MT church planting network team through Expedition Church
- God’s blessings in family, travels, and health

Prayer Requests

- Our Whitehall Gospel Community to grow
- Chip as he works & witnesses @ Yellowstone Park
- Changed lives with March’s Mississippi mission team
- “Good soil” in Whitehall

Lives Touched

Phil met “W” at his first Whitehall Veterans meeting. We learned he lived nearby, visited, and soon discovered it was the 1st anniversary of losing his wife very quickly to cancer. Although W has a Catholic background, he has attended some of our Community of Hope gatherings. He lives alone and is hard of hearing due to his time working near aircraft in the US Air Force. W has agreed for Phil to be his extra set of ears when he attends medical appointments at the VA hospital and clinics. Please pray for W.

Dooley Adventures

Do you have a bucket list? Visiting Yellowstone Nat’l Park in the winter has been on Phil’s bucket list and didn’t disappoint. The wildlife, geysers, starry

skies, and snowscapes were simply amazing. In fact, it was so wonderful, it’s still on Phil’s bucket list! Pack your parka, ☺ It was a little chilly (-3°F on the way in). Our divine appointment there was Chip who is the facilities manager for the park (and a fellow Liberty U grad.) Chip’s marketplace ministry allows him to share the Gospel and minister God’s love to 100’s of fellow employees during the winter and 1000’s during the summer. Pray for God to call Christ-followers to work and witness with him in Yellowstone.
