

CHURCH PLANTING
PARTNERS

Partner Roundup -November/December 2021

CrossRoads Memorial Church, Great Falls, MT

First things, first...

Blessings abound during this season of Thanksgiving and Advent despite hard times. We are so blessed by your continued prayers and gifts that make our ministry possible.

We travelled back to Missouri at the end of October and have enjoyed reconnecting with family and friends.

We eagerly anticipate our return to Montana in the Spring. As you reflect on your year-end giving, would you consider investing in our ministry? Give at our [missionary page](#) or email us for more information.

Our mission is to come alongside new churches and their pastors to accelerate the Great Commission! Visit our [website](#) for more information.

Lives Touched

In October, we travelled north within 100 miles of the Canadian border to Great Falls, Montana. Pastor Bobby King of CrossRoads Memorial Church along with a couple sister churches strongly desire to see a new church plant in the city of Great Falls. They see that the "harvest is plentiful but the laborers are few" (Luke 10:2). God allowed us to

coordinate a visit between Pastor Bobby and a church planter who is currently going through the process of being endorsed by North American Mission Board. As a result, in November this church planting couple has started working with CrossRoads Memorial and the church is growing after some setbacks. It'll be exciting to see how God multiplies and grows His churches in Great Falls!

After a week in Great Falls, we traveled back down to Whitehall for Expedition Church's October worship gathering. Even though Expedition Church is 85 miles away in Livingston and only a few years old itself, they feel a burden to share the gospel and encourage the spiritual growth of the people in Whitehall and the surrounding Jefferson Valley, a community of nearly 4000 people.

Expedition Church's monthly Worship Gathering in Whitehall, MT

Pastor Darryl Brunson gave a great message that Christ followers are God's "Plan A" to reach their neighbors, acquaintances, family, and friends. He encouraged each of us to be intentional in our relationships to fulfill Christ's command to bear witness to Him.

With the positive responses so far in Whitehall, Expedition Church plans to continue its monthly outreach to those who are unbelievers or disconnected from a local church and see if God blooms it into a new church plant.

2022 Ministry Plans

We are praying, planning, and working toward our 2022 Montana ministry come Spring. We have the invitation to partner again with Expedition Church in Whitehall in its outreach to share the Good News of eternal life through faith in Jesus Christ and encourage believers to reconcile to one another and connect with a local body. Less than 10% of the

population in Whitehall and surrounding Jefferson Valley attend church. One of our roles as Evangelism Catalysts is church pre-planting projects such as this.

Pastor Darryl famously states: "Blessed are the flexible, for they shall not be bent out of shape!" Though we have a plan, we remain flexible to God's turn-by-turn directions.

Dooley Adventures

As our time was ending in Montana, we decided to tour Glacier National Park and Yellowstone National Park. It was actually the perfect time of year-- we caught both parks right before they start closing down roads due to snow and the traffic was not as bad as during the peak season. Our time was limited between ministry obligations so we drove Glacier National in one big 14 hour roundtrip and enjoyed a hike to Avalanche Lake.

In our short visit to Yellowstone, we toured many beautiful sights but our most enjoyable event was seeing & hearing the bull elks bugle and fight over the female elks. Those boys put on quite the show to impress everyone!

Phil & Laura Dooley**

Please Partner with us for these Prayer Requests:

<> Pray for encouragement to Pastor Bobby King and wife Sylvia at CrossRoads Memorial in Great Falls. Pray for wisdom, spiritual growth of their church, and for the possibilities of a new church plant in their community.

<> Pray for the gospel message to penetrate Whitehall and for the Holy Spirit to draw unbelievers to Him. Also, for God's guidance and provision for laborers for the possibility of a new church plant.

<> Pray for Capstone Church of Helena who went to two services and have continued to grow this Fall with their second service bursting at the seams. They need a bigger space at an affordable price in the appropriate time.

<> Join us in setting a daily alarm at 10:02 to pray Luke 10:2, "Jesus said to them, 'The harvest truly is great, but the laborers are few, therefore pray to the Lord of the harvest to send out laborers into His harvest.'
