

GOSPEL PLANTING PARTNERS

Partner Roundup August/September 2022

Montana Moments

Our Gospel outreach to Whitehall, MT continues with weekly meetings with our Gospel

Community Group and twice a month with an outreach event called Community of Hope. At these events we have good music, good food, and stories of hope and encouragement, followed by an explanation of the Gospel. At the last Community of Hope we had 6 first time guests from Whitehall. This month we are planning to serve and have an outreach at Whitehall Fall Festival.

Last weekend was roundup on the ranch where we park our 5th wheel trailer. God blessed us with great neighbors who are always helping us out, and roundup was a small way for us to give back and get better acquainted.

We sense God leading us to extend our time here this winter. We will return to MO for the holidays but pray for us as we seek a place to live in Whitehall January through mid-April while it's too cold to live in the trailer.

Lives Touched

Sundays are spent ministering in nearby churches. Most recently, Phil preached at Beaverhead River

Cowboy Church who lost their pastor and need God's guidance on next steps. While there Laura had the privilege of leading two senior high girls to Christ. Pray for Mystic and Divine to grow in the grace and knowledge of our Lord and Savior Jesus Christ.

Dooley Adventures

Last week took us to Rawlins, WY, where Phil started a church many moons ago, to pick up a Church Planting "Starter Kit". Precious members, Norm & Rebecca Newsome, of that Rawlins

church donated a pulpit, chairs, tables, communion set, etc. to be used and re-used when new churches get started in Montana. It was over 1,000 miles round trip but we were compensated with beautiful scenery going and coming (South Yellowstone, Grand Tetons, Scenic Chief Joseph Highway and Scenic Beartooth Highway).
