

GOSPEL PLANTING PARTNERS

Partner Roundup July 2022

Frontier Days

Our Gospel Community, our partner, Expedition Church - Livingston, MT, Pickens Baptist Assn, AL mission team, and Restoration Church Citronelle, AL mission team served the community of Whitehall July 22-23 at the largest community celebration of the year, Frontier Days.

- 1200 water bottles labeled with a Gospel message were handed out (thanks to Shiloh Baptist, Hartford, AL mission team for the labeling work)
- 100 Gideon Bibles were given out (donated by Ron & Pam Noe, two of our Gospel Community members)
- 125 fans with wildfire smoke filters were distributed

The mission teams blessed Whitehall through other acts of service, and we were able to get 300 invitations out to our first public event which starts Friday, August 5. We are calling these events, Community of Hope, which will occur on the 1st and 3rd Fridays at 6pm at the park pavilion and will include good music (by Brent Harrison, www.brentharrisonmusic.com), good food, and stories of the Good News!

Praises

- Favor with community leaders & neighbors
- Many Gospel conversations during Frontier Days
- God supplied many laborers in our mission field
- A wonderful spot to park our trailer close to town

Prayer Requests

- Continued favor in & around Whitehall
- Open doors & wisdom for Gospel conversations
- 1st Community of Hope public event
- Spiritual protection on our Gospel Community team

Lives Touched

The Gospel seed was spread at Frontier Days including 2 who invited Christ into their lives! Others were prayed with who are seeking hope that is only found in Jesus. Please pray with us that those seeds will germinate and grow!

Dooley Adventures

After spending our first week camped in road construction and next to the fire dept. siren, a local rancher had mercy on us and provided us with a beautiful camp spot on his ranch. He and his son-in-law even hooked up a 50 amp service cable for our camper. Out of gratitude, Phil offered to bury it the old-fashioned way, pick and shovel style. After 4 hours of back-breaking, rock breaking work, the story diverges. Laura says she offered to help. Phil says he offered to let her help. Regardless, we only managed to bury half that day and there still was 75 ft of cable remaining to be buried. A BIG SHOUT OUT to Trail to Christ Cowboy Church of Jacksonville TX, for coming up to the ranch and finishing the job in very short order. Thank you, Gospel Pick and Shovel Partners!!
