

Pool Manager (Weekends & Holidays)

Thank you for volunteering—we appreciate you!

This is a light-duty role. You do not need to sit at the pool—just be available by phone and check in a few times during your shift.

You choose your schedule. Volunteers serve only on days they sign up for—as few or as many as you like. The more volunteers we have, the easier it is for everyone!

Hours: 12:00 PM – 5:00 PM

Your name and phone number will be posted at the pool for the day.

What to do:

Do 3 quick walk-throughs: 12:00, ~2:30, and 5:00

Check that:

1. Water level is normal (up to the middle of the 3 next to the stairs) and pool is clean
2. Restroom is clean and stocked (lights/fan off when not in use)
3. Pool room door is locked
4. Pool area is tidy (umbrellas down at empty tables)
5. Gates are closed
6. Children under 14 have adult supervision
7. End of Day (5:00 PM):
Final check to ensure everything is clean and secure
