

**Maine Audio Visual™**

**Quality Rentals, Sales & Service**

Looking for something new,  
fun, and exciting to do at your  
next event?

**Karaoke Party 2GO** is karaoke done differently. Step into our private, converted trailer, put on the headphones, choose a song from our extensive list of over 32,000, grab a microphone and sing your heart out! No loud music blaring from speakers means no worries about the neighbors complaining.

# KARAOKE PARTY 2GO

“The No Curfew Zone”

Karaoke Party 2GO is a division of Maine Audio Visual. In addition to corporate and private parties. We will also be at community events, fairs, festivals, and fund raisers.

*Website: [karaokeparty2go.com](http://karaokeparty2go.com)*

## A FUN PLACE TO BE

The converted trailer comes complete with lights, heating, a/c and everything you need to be your own "Singing Star." It has appealing vinyl graphics and pictures. Adding the optional LED lighting and black-light (not pictured) makes the images really eye catching too. The rubber flooring is comfortable to stand on, however you can sing seated as well as we have a lounge area.

## IT'S QUIET & IT'S PRIVATE

Aka "Silent Karaoke," or as we call it, "No Curfew Karaoke." Karaoke Party 2GO is karaoke with a twist. It's all done with wireless headphones, microphone, and audio mixer with effects. With headphones on, you can hear yourself singing along with the music. To anyone not wearing headphones, it sounds like they are singing acapella. There is a karaoke video monitor with on-screen lyrics when you don't know the words to the song. With our special effects and high-quality installed equipment, you can sound your very best.

## AVAILABILITY

**Karaoke Party 2GO** is available for Corporate, Private, Community Events, and Fund Raisers or anywhere a crowd gathers. Our favorite quote is, "Even though I can't sing, it doesn't mean I won't sing," so your singing ability doesn't matter, just have FUN! If karaoke singing is not your thing, the unit doubles as a photo booth rental and comes complete with a green screen for company logos, sports teams, scenery, etc.

*The maximum number of participants allowed inside to sing at one time is 5 people. Eating and drinking is only allowed with private karaoke party rentals. Of course, water with a cap top is allowed. We know you get thirsty when singing. A cleaning deposit is required and will be returned with a cleaned trailer.*

*Rental rates for private party are based on 1/2 day (4 hours) or full day (8 hours) and 15-minute increments for most all other events. The only requirement is a standard 120-volt power outlet and wireless internet connection (hotspot available). If your karaoke party is somewhere without electricity, we have a gas generator inverter available for rent as well.*

*For more details, rates, and availability send us a message at [jt@maineaudiovisual.com](mailto:jt@maineaudiovisual.com) or text/call us at 207.747.8896*
