

UNIVERSITY STUDENT SCHOLARSHIP PROGRAM

SCHOLARSHIPS

A limited number of reduced fee scholarships are available for current, full-time undergraduate or graduate students at the University of Virginia based on financial need.

PURPOSE

The purpose of the scholarship program is to broaden access to mental health care for university students who otherwise might not be able to access care because of financial hardship.

REDUCED FEES

Students granted scholarships will be billed the following reduced fees for services:

Initial consultation Initial psychiatric evaluation, diagnosis, and treatment recommendations.

One (1) hour.

\$100

Follow up Follow up appointment for medication management.

Twenty (20) minutes.

\$25

Medication management with psychotherapy

Medication management and psychotherapy session.

One (1) hour.

\$50

NUMBER OF SCHOLARSHIPS

The scholarship program will begin with three (3) available scholarships. Additional scholarships may be made available in the future based on financial considerations of the practice.

TERM

The term of a scholarship is one (1) academic year, subject to the student's continued financial need. A student granted a scholarship during the student's final academic year may continue the scholarship for an additional three (3) months after graduation, subject to the student's continued financial need.

APPLICATION

Scholarships will be granted on a first-come, first-served basis based on a student's application documenting financial need. A student shall provide adequate documentation of current, full-time academic status, financial need, and other matters relevant to the application.

FINANCIAL NEED

A student will be considered to demonstrate financial need if the student's annual household income is at or below the applicable United States Federal Poverty Guideline.

2018 United States Federal Poverty Guidelines:

Persons in Household	Poverty Guideline
1	\$12,140
2	\$16,460
3	\$20,780
4	\$25,100
5	\$29,420
6	\$33,740
7	\$38,060
8	\$42,380

INCOME

Income is defined as the annual gross income of the student's household, including the student, student's spouse, and/or student's parents or legal guardians. Income of parents or legal guardians will not be included if the student is financially independent of parents or legal guardians.

A student will be considered financially independent of parents or legal guardians if:

1. The student is considered financially independent according to accepted federal student financial aid standards; and
2. The student does not in fact receive financial support from parents or legal guardians.

FINANCIAL AID STANDARDS

A student is considered financially independent of parents or legal guardians according to accepted federal student financial aid standards under the following circumstances:

1. The student is twenty-four (24) years old or older;
2. The student is in a master's or doctorate program;
3. The student is married;
4. The student has children who receive more than half their support from the student;
5. The student has dependents (other than spouse or children) who live with the student and receive more than half their support from the student;
6. The student's parents are deceased, or the student is (or was until age 18) a dependent of a court;
7. The student is currently serving on active duty in the United States Armed Forces for purposes other than training; or
8. The student is a veteran.

PROOF OF ANNUAL INCOME

Proof of annual income shall be the most recent federal tax return(s) for the student's household, documenting gross income for federal tax purposes.

CONTINUED FINANCIAL NEED

To be eligible to receive and continue to receive a reduced fee scholarship, a student must demonstrate continued financial need.

If the most recent federal tax return(s) for the student's household was (were) filed six (6) or more months prior to the scholarship application, the student must demonstrate continued financial need at the time of initial application.

A student must demonstrate continued financial need at the beginning of each semester.

A student will be considered to demonstrate continued financial need if the student's monthly household income averaged over the last six months is at or below one and a half (1.5) times the applicable United States Federal Poverty Guideline.

PROOF OF MONTHLY INCOME

Proof of monthly income shall be by paystubs, accepted accounting methods, or other documentation as may be requested.

TERMINATION OF PROGRAM

The scholarship program is subject to modification or termination based on financial considerations of the practice. At least one (1) month's notice will be provided of any modification or termination of the scholarship program.
