

Private Early Years Development Sessions at Home

Personalised developmental play, language and early literacy experiences for babies and toddlers right at home.

**This programme may be just what your family needs
If your child is experiencing any of the following:**

- Bored at home?
- Having frequent tantrums?
- Not talking as much as you expected?
- Too much screen time?
- A fussy eater?
- Not interested in books?
- Easily distracted or finding it hard to engage in play?
- Getting ready for preschool?
- Choosing a preschool and unsure what suits them?

SESSION OPTIONS

BABY DEVELOPMENT SESSION

Age: 6–11 months
Duration: 90 minutes
Fees: \$150

A personalised session that builds secure attachment and responsive relationships, turning everyday care routines into opportunities for connection, communication and learning.

TODDLER DEVELOPMENT SESSION

Age: 12 months - 3 years old
Duration: 2 hours
Fees: \$200

A personalised session incorporating language-rich interactions, purposeful play, conversational reading, movement, social-emotional development and everyday routines.

ADDITIONAL TIME: \$90 per additional hour
