Reheating Instructions (print on the box lid)

Pierogis & Farmhouse trays

- Heat oven to 375 F.
- Spread pierogis on the foil tray they came in, cover with foil.
- Heat 15 minutes, covered. For extra-crisp, uncover for the last 5 minutes.
- Eat.

Cheesesteaks & sandwich trays

- Heat oven to 350 F.
- Keep tray covered with foil, heat 15 minutes.
- Eat.

Fries trays

- Heat oven to 425 F.
- Spread fries out on a baking sheet (no foil on top), heat 10 minutes.
- Eat.

Keeping it safe: if you're not eating within 2 hours, put trays in the fridge and reheat before serving.
