Additional Info:

DJ Liza is the sole owner and one-woman show at [Roke]star Entertainment. She strives to go above and beyond expectations to make your day special and stress free. Once your date is booked, you will receive a questionnaire to start the planning process and select music for dances. At approximately 2-3 months prior to your date, we will have a phone conference and together we'll review the questionnaire and plan your schedule. You have complete control over the playlist, and your guests can make unlimited requests. You want a DJ you can count on to work with other vendors and to keep your day run smoothly. DJ Liza does it best!

Sound System: DJ Liza uses only the top of the line: Bose, JBL, and Shure. Two sound systems are provided at every event, one for ceremony and one for the reception. There is a quick break down and smooth transition from ceremony to cocktail hour or reception. The Bose sound system may look small, but it is mighty. It can entertain an audience of up to 250 guests.

Ceremony Service: You will need a second sound system to cover the ceremony if it will be in a different location than the reception. Also, please let DJ Liza know if driving between locations will be necessary. Two lapel microphones will be provided during the ceremony so everyone can hear your vows, as well as a handheld wireless microphone when needed for ceremony, toasts, etc. Music begins 30 minutes before the processional for background as guests arrive.

Travel Fee: One hour of travel is included, and the distance is measured from Canal Fulton. Extra fee for long distances determined by time both ways (i.e., If your location is 1.5 hours away, that's an extra hour of drive time). My current rate is \$50 per hour, which covers my gas and time. DJ Liza travels to all corners of Ohio including Toledo, Cincinnati, Columbus, Youngstown, and Cleveland.

Extra Time: More DJ time can be added if desired at \$100 per hour. If you're not ready for the party to end at the end of the night, just ask and DJ Liza will keep the party going!

Outdoor Events: Outdoor events are welcome. DJ Liza can provide her own tent or use yours where needed. She can also provide her own solar power generator and has the capability of going to locations where there are no power outlets.

Karaoke: DJ Liza loves karaoke and is happy to include it at your reception at no additional cost.

Liability Insurance: DJ Liza is insured and can provide your venue with a certificate upon request.

Booking: Reserve your date with a \$100 deposit. The deposit is transferable, but non-refundable. The remainder of your bill is due 14 days prior to the event. All paperwork will be sent via Square. You will receive an invoice, contract, and PDF of the wedding questionnaire.

Off-Season Booking: Ask for specials being offered during the months of December-April.
