Additional Info:

DJ Liza is the sole owner and one-woman show at [Roke]star Entertainment. She strives to go above and beyond expectations to make your day special and stress-free. Once your date is booked, you will receive a questionnaire to begin planning and selecting music for the dances. Approximately 2-3

months prior to your date, we will have a phone conference and together review the questionnaire and plan your schedule. You have complete control over the playlist, and your guests can make unlimited requests. You want a DJ you can count on to work with other vendors and to keep your day running smoothly. DJ Liza does it best!

Sound System: I use top-of-the-line brands: Bose, Electro-Voice, Sennheiser, and Shure. Two sound systems are provided at every event, one for the ceremony and one for the reception. There is a quick breakdown and smooth transition from the ceremony to the cocktail hour or reception. The Bose sound system may look small, but it is mighty. It can entertain an audience of up to 200 guests.

Ceremony Service: You will need a second sound system to cover the ceremony if it is in a different location from the reception. Also, please let DJ Liza know if driving between locations will be necessary. Microphones will be provided during the ceremony so everyone can hear your vows, and as needed during the reception, toasts, etc. Music begins 30 minutes before the processional for background as guests arrive.

Travel Fee: One hour of travel is included, and the distance is measured from Canal Fulton. The extra fee for long distances applies to both ways (i.e., if your location is 1.5 hours away, that equals 1 extra hour of drive time). My current rate is $50 per hour, which covers my gas, time, and tolls. DJ Liza travels to all corners of Ohio, including Toledo, Cincinnati, Columbus, Youngstown, and Cleveland.

Extra Time: Additional DJ time can be added at $100 per hour if desired. If you're not ready for the party to end at the end of the night, just ask, and DJ Liza will keep the party going!

Outdoor Events: Outdoor events are welcome. A covered area, such as a tent or pavilion, is required, as well as ground coverage if the reception is on the grass. Not needed for outdoor ceremonies.

Karaoke: DJ Liza loves karaoke and is happy to include it at your reception at no additional cost.

Liability Insurance: DJ Liza is insured and can provide your venue with a certificate upon request.

Booking: Reserve your date with a $300 non-refundable retainer. The remaining balance on your bill is due 30 days prior to the event. All paperwork will be sent electronically via Square. You will receive an invoice, a contract, and a Google Docs link for your wedding questionnaire.
