

Teams Futurity

This is a game within the game. Participating dogs will be randomly divided into four dog teams to compete within the NADAC trial format. As dogs compete in runs on Saturday, the points accumulated by each dog are added to the team's score. This is 10 points for a Q or 5 points for "dirty" Q in regular (or potentially bonus points for distance challenges!). The teams with the most points at the end of the day will share in the prizes outlined below.

To play Teams Futurity, just enter. No additional runs or effort are required. Just run well and rack up the points. Be sure to spend some time meeting your teammates and cheering each other to victory.

To enter, simply indicate on your entry form and pay \$5 per dog entered. If you want to enter multiple dogs, they will be guaranteed to be on different teams. We hope you make new friends and
