- **Notes for finding the arena and parking:** Just past the New Harmony building is the SUDS indoor arena. The indoor arena is near the outdoor horse arena and RV parking. **Please note: Exhibitors may drive up to the building to "unload", then you must park in the RV parking area or the paved lot near the arena.** There will be a team roping event in the outdoor arena, so please drive with care, at a safe speed, and park in the appropriate designated areas.

TRIAL INFORMATION (Pre-entered dogs only - trial is full)

If you need assistance or have questions, please ask any of the SUDS trial representatives. We want to make sure you enjoy your experience at our trial. Setup is available indoors, so canopies are not necessary. The arena is cooled with swamp coolers, so although the temperatures outside could be a bit warm the arena should be comfortable!

- **Friday:** Exhibitors may begin setup at **08:00am** (Exhibitors may arrive anytime for an RV site, but **NO setups on Thursday.**)
 - **Check In/Measuring: 9:30am Friday** required only if your dog needs to be measured (see "please read" note below.)
 - Briefing will begin at 09:45am – we do recommend all exhibitors read the [NADAC Overview](#) that is posted on our trial secretary website [RinoAgility.com](#) and save this [link](#) to view course maps and trial results, etc. Results will be posted online, not printed. Individual results will be sent out after the event as well.
 - **First dog on the line at 10:00am on Friday.**
 - **Note for workers/volunteers:** we need and really appreciate your assistance throughout the event. Helping with setup and breakdown, plus volunteering in the ring helps keep the trial moving!
- **Saturday/Sunday:** First dog on the line at **09:00am**.
 - **Check In/Measuring: 08:30am Saturday** required if your dog needs to be measured (see "please read" note below.)

PLEASE READ: We will have a formal **check in** process for any dogs requiring measuring at this trial. We'll set up on the concrete near the trial secretary booth. Please fill out and bring the "[Application for Permanent Height Card](#)" form with you. NADAC's new rule requires every dog to have a permanent height card, after the age of 2 yo. Entry confirmations will indicate "**Measure-in required? Yes**" if you need to be measured at the event. If it shows measure in required and you have a permanent height card please email a copy and we can update our files so you don't have to check in or be measured. (*Note: I looked up each dog as your entries were input and I updated my database if NADAC had a permanent height card recorded for your dog at that time.)

If your confirmation says "**Measure-in required? No**" then you aren't required to check in and no further action is necessary. We do ask that exhibitors check their dog(s) in on the gate sheets which will be posted before each class. Don't forget to validate information on your confirmation & email RinoAgility@gmail.com before the trial if there are any corrections needed.
