

Now is the time your hard work pays off, and you feel a sense of pride for a job well done!
Some very important information to share, so please read on.

- We will not be doing make up for this dress rehearsal. However, we will be taking photos, so those that are not wearing masks can do makeup if you wish.
- We will be adding in scenery, lighting and sound which is going to require patience, focus and the ability to follow directions. **PLEASE HAVE YOUR LINES DOWN**, as you will not be able to call for "Line!"

FRIDAY, May 29th DRESS/ TECH REHEARSAL IS AT THE CENTER THEATRE

(Located ON THE 1ST FLOOR of the Seattle Center Armory-near the Children's Museum)

TIME: **5:00 pm - 9:00 pm** - PLEASE Don't be late! We will try to get done before 9pm if all goes well!

BRING: Costumes, head pieces, wigs, shoes and water bottle

CHECK IN: Please check in with Autumn in the Lobby when you arrive. The public restrooms are located across the hall, so please use the "buddy system" when using them. Get into costume and then gather all your belongings and sit in the first 4 rows of the theater seats. **Do not go on to the stage or backstage area until directed.** Thank you in advance for your best behavior in the theater. Remember that we are guests and need to be respectful of the space and each other.

REHEARSAL: Before we begin, we will do a tour of the space to get acquainted with the layout for entrances and exits. Then we will run the musical numbers for spacing before we start the show from the top. Your patience will be very much appreciated.

AFTER THE DRESS/ TECH REHEARSAL: You may leave your costumes at the theater, but double check that you have your personal belongings before you leave. Also, please pick up any food or drink items and put them in the trash.

LET'S DO THIS!!

It's going to be a great show!!

Angela & Bob
