

RED CLIFFS & DISTRICT HISTORICAL SOCIETY

DRIED – OUR ‘SUN-RAYSED’ HERITAGE

Dried - Our ‘Sun-Raysed’ Heritage is a community-wide exhibition presented by the Red Cliffs & District Historical Society, celebrating the people, places and stories that shaped Sunraysia’s rich dried fruit heritage and Soldier Settlement history. Central to the project is ‘Dried’, an exhibition of photographs presented at Workspace 3496 + Gallery. Extending beyond the gallery, businesses and locations throughout Red Cliffs are also displaying historical photographs, objects and memorabilia from the Historical Society collection.
