

# Ta(l)king Action: Nature Based Solutions (15th June 2021)

Add your pledge/s please pop down your name or initials:

Put Jane in touch with Mikki from JLIF about a local initiative for reusing/reducing planting tubes - Ivana

Continue to volunteer with MIW and plant more trees! (AL)

Expand projects supporting farmers to re-wild agricultural land, looking at the possibility of a franchise model in future if interest in this area begins to grow - MIW (Helen & Chris)

Inspire more people to collaborate and collect as many stories as possible around climate action - Vinishree

Organise tree-planting for my volunteers! - Alison

Step up awareness-raising campaigns around peat-free compost ban consultation - Lyndon.

Look at what's going on locally and opportunities to get involved (CW)

Cut down on meat and dairy consumption - Ranbir

Try to create a wetland pond area in garden - Elizabeth

Cut down on car use, research electric vehicles & where charging points are - Ranbir

Share info on mini-forests - Ivana

Support more habitat creation, including but not only tree planting - Ivana

Restore more peatland areas - Lyndon
