Nominations now open for prestigious Trenton Wall of Fame

TRENTON, MI – July 15, 2025 – The Trenton Educational Foundation (TEF) proudly announces that nominations are now being accepted for its esteemed Wall of Fame (WOF). This annual tradition recognizes individuals, groups, couples, or businesses who have made significant and lasting contributions to the quality of education in the City of Trenton as well as Trenton Public School (TPS) graduates who have distinguished themselves in their profession.

Since 2011, a total of 39 people (and one organization) has been selected. Selection to the WOF serves both as a public thank-you and as an inspiration to current and future generations, demonstrating the profound difference one person can make.

"We're incredibly excited to open nominations for the Wall of Fame," explained **Mike McCullough**, volunteer WOF Committee Chair and longtime TEF Board of Trustee. "It's a wonderful opportunity for our community to recognize and celebrate the remarkable individuals who have made exceptional contributions and brought significant honor to our schools through their achievements, dedication, and service. We encourage everyone to consider nominating those who embody this spirit of excellence and commitment."

Inductees will be selected by the nine-member volunteer selection committee based on the criteria outlined in the nomination guidelines.

The newest member(s) of the Wall of Fame will be formally honored at a special induction ceremony as part of the annual TEF Signature Event fundraising dinner, scheduled for Friday, November 14, at Event One-Nine in Riverview, beginning at 6 p.m.

To nominate a deserving individual, please visit <https://trentonedfoundation.org/wall-of-fame> or contact **TEF Executive Director Peter Poulos** at ppoulos86@gmail.com for a nomination packet. The nomination period will close on Sunday, August 31, at 11:59 p.m.

About Us: The Trenton Educational Foundation (TEF) is a 501(c)3 non-profit corporation created for the purpose of enhancing the educational opportunities for teachers and students within the Trenton Public Schools system. Established in 2008 by a partnership of community leaders from various organizations, the TEF is now known as a source of grants teachers can seek to help fund special projects and activities not within the budget, as well as added student scholarships. All levels of Trenton public education are helped by the TEF.
