For Immediate Release

New inductees chosen to the Trenton Educational Foundation's Wall of Fame

Since 2011, the **Trenton Educational Foundation's (TEF) Wall of Fame Volunteer Selection Committee** has met to choose deserving candidates to add to the prestigious display prominently featured inside of Trenton High School. A total of 41 people (and one organization) has been selected in the past.

The TEF is proud to induct three new members this year, each of whom will be honored at the foundation's annual Signature Event fundraising dinner – featuring a "Lighting the Way" theme – on Friday, November 13, at Event One-Nine in Riverview, beginning at 6 p.m.

Joining the esteemed group are **Tom Dickman**, **Bill Lefevre**, and **Alice Shenton.**

For 16 years, Dickman served on the Trenton Board of Education, including three terms as its president during that span. A founding member of the TEF and a dynamic Trenton Rotarian, he and his wife Linda are active members of Faith United Methodist Church. All four of their children are THS graduates.

Lefevre has been immersed in the Trenton community for decades. Affectionately known as the "Voice of Trenton" for his voluminous emcee assignments at sporting events, parades and a wide range of community events. He served for more than 30 years on Trenton City Council, as well as assignments with the TEF Board and Trenton Rotary among others.

Shenton proudly served as a Spanish teacher at Trenton High School for 20 years, leaving an indelible mark on generations of Trenton students. Her impact reached far beyond the Spanish classroom. She was a mentor, encourager, and role model, who consistently showed her students they mattered. She continues offering her leadership and volunteer skills at Faith United Methodist Church, including serving as Chair of its Scholarship Program.

The TEF invites you to participate in the formal induction of these community servants by purchasing sponsorships or tickets to the **"Lighting the Way" Signature Event**. The evening will feature great food, raffle and auction items, and plenty of fun.

Information can be found online at https://trentonedfoundation.org/events, or by calling the TEF at 734-365-0672. You can also stop by the Board of Education office during normal business hours.
All proceeds go to supporting the TEF and its grant and scholarship programs.

###

About Us: The Trenton Educational Foundation (TEF) is a 501(c)3 non-profit corporation created for the purpose of enhancing the educational opportunities for teachers and students within the Trenton Public Schools system. Established in 2008 by a partnership of community leaders from various organizations, the TEF is now known as a source of grants teachers can seek to help fund special projects and activities not within the budget, as well as added student scholarships. All levels of Trenton public education are helped by the TEF. The Foundation funds six integral areas of education — cultural enrichment, scholastic enrichment, arts and education, technology and learning, continuing education, and professional development. The Foundation conducts one grant cycle each school year for all grant requests in order that all grants will be ready for implementation at the beginning of the next school year. For more information, visit the web site at http://trentonedfoundation.org or Facebook page at facebook.com/TrentonEducationFoundation.
