

T Workshop Ltd

'Our Reputation Means a Great Deal'

JOB DESCRIPTION: PART TIME WORKSHOP ENGINEER

Location:	Wash Lane, Mendlesham, Stowmarket
Terms:	Part Time (2/3 days a week)
Salary:	Hourly (£12)
Hours Per Week	15 hours (2 days) or 22.5 hours (3 days)

Purpose of Job:

T Workshop Ltd has an opportunity for a talented, adaptable and enthusiastic workshop engineer to join our team. We are a small business, with a network of long standing customers that rely on our high quality, reliable and cost effective customer service.

We are the approved distributors of Ehrle and Kranzle pressure washers and Master Climate Solution heaters. We also sell a number of various other and related products.

The role will involve being based in the workshop reconditioning and servicing second hand machines ready for resale. The role will also include workshop based servicing and repairs of customers machines.

The role includes frequent training opportunities, overalls / uniform and holiday (holiday will be calculated on pro-rata based on days worked).

Responsibilities:

The successful applicant will be required to undertake:

- Reconditioning and servicing of second hand pressure washers, compressors and heaters ready for resale.
- Servicing / repair of customer machines in the workshop.
- Delivering and collecting of machines to / from customer premises – if required.

Requirements:

The applicant will be expected to have:

- Experience in servicing / repairing equipment.
- Ability to problem solve.
- Capability to work independently.
- A clean full UK driving license.
- Basic English and math skills.

To Apply:

Please submit your CV detailing relevant experiences and references. Please kindly email your application to accounts@tworkshop.co.uk or post to T Workshop Limited, Wash Lane, Mendlesham, Stowmarket, IP14 6NZ
