## SIP OIL-FREE DIRECT-DRIVE AIR COMPRESSORS

**OIL-FREE**  
CLEAN AIR SUPPLY & MAINTENANCE-FREE

### SIP Super Boxy Air Compressor

- 230v (13A) input supply
- 1.5hp (1.1kW) motor
- 2 litre air receiver
- 6.4CFM piston displacement
- 116psi (8bar) maximum pressure
- Portable, light and easy to store - weighs just 9kg
- Built-in remote pressure regulator on hose
- 6 piece kit includes: inflating gun, 3 needles (for inflating balls, bicycle tyres and small air mattresses), inflator gun and 3 metre rubber hose

OIL-FREE OPERATION

### SIP 6 Air Compressor

- 230v (13A) input supply
- Oil-free, direct-drive unit
- 1.5hp (1.1kW) motor
- 6 litre air receiver
- 6.4CFM piston displacement
- 116psi (8bar) maximum pressure
- Integrated control panel with easy-to-read gauge
- Quick release coupler
- Neat rear power cable storage hooks
- Weighs just 9 kg

# SIP INDUSTRIAL 3 PHASE BELT-DRIVEN AIR COMPRESSORS

## Industrial Electric Compressors

This range of Italian-manufactured heavy-duty industrial electric air compressors are powerful, durable and designed to handle the most demanding of applications.

Covered by a comprehensive 3 year parts and 10 year air receiver anti-corrosion warranty, these top of the range electric piston models are a must for when only the best will do.

- Large heavy-duty pump - for Industrial applications
- Large inter-stage coolers - cooler air, reduced moisture & pump temperature control
- Long-stroke cast iron cylinders - slower running & increased pump life
- Large robust valve plate with individual valves - for efficient performance
- Large industrial 3 phase motors

AIR COMPRESSORS

# SIP PETROL / DIESEL / KOHLER® PETROL ENGINE AIR COMPRESSORS

## SIP TP7.0/50 Belt-Driven Petrol-Powered Air Compressor

- 7hp - 207CC petrol engine
- 50Litre air receiver
- 13CFM piston displacement
- 130psi (9bar) max. pressure
- 1022rpm speed
- 2 cylinder belt drive
- Heavy-duty pump
- Safety valve
- Splash oil lubrication
- Wheel-mounted

Item No: 06217  
**£649.99** EX.VAT  
 £779.99 INC.VAT  
 RRP £1168.60 EX.VAT

**PETROL POWERED**

**7HP - 207CC ENGINE**

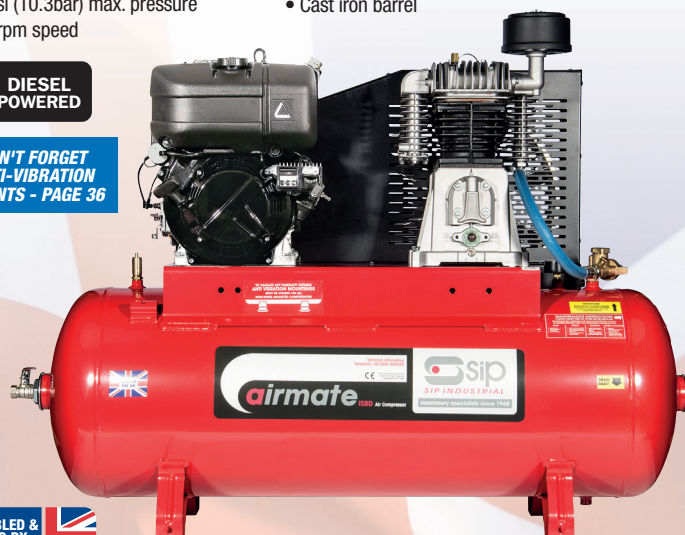

**WHEEL-MOUNTED**

## SIP LOMBARDINI Diesel-Powered Air Compressors

- 8hp - 240CC Lombardini diesel engine
- 150 or 200 litre air receiver options
- 23CFM piston displacement
- 150psi (10.3bar) max. pressure
- 1400rpm speed
- 2 cylinder belt drive
- 2 stages
- Splash oil lubrication
- Cast iron barrel

**DIESEL POWERED**

# SIP PROFESSIONAL HONDA™ PETROL ENGINE BELT-DRIVEN AIR COMPRESSORS

All Honda petrol-powered air compressors are built by SIP in the UK and feature a 10 year anti-corrosion receiver warranty. Ideal for industrial use. Powered by Honda™ industrial petrol engines, offering either mobile or a static permanent installation options in busy and demanding environments.

- 150psi (10.3bar) maximum pressure • Electric start option available\* • Heavy-duty pump • Safety valve for worry-free operation • Automatic unloader valve
- Splash oil lubrication • Multi-bladed flywheel • Large-finned cylinder head for optimal heat dissipation

# SIP PROFESSIONAL BELT-DRIVEN LOW NOISE PISTON AIR COMPRESSORS

## Product features and benefits include:

SIP low-noise compressors are designed to give you powerful performance but with a fraction of the noise.

These Italian-made compressors are an excellent addition to any workshop where the installation is required close to the workspace.

## Why Choose a Low-Noise Compressor from SIP?

- Low noise - for large air volume requirements with the lowest possible noise levels
- The pump and motor on these compressors are enclosed in an acoustic chamber - reducing sound levels to between 64dB(A) and 69dB(A)

ACOUSTIC CHAMBER  
REDUCES NOISE LEVELS

# SIP MERCURY INDUSTRIAL SCREW AIR COMPRESSORS

## Product features and benefits include:

- IE3 Premium Efficiency Motor - combined with high performance air-ends, minimises energy costs. Furthermore the IE3 motor reduces CO2 emissions
- Electromechanical and ETM II electronic controller models
- Thermostatically-controlled centrifugal fan ensures ideal cooling whilst keeping noise levels low

100% UK TESTED  
BEFORE DESPATCH

MADE IN  
ITALY

32A 400v

LOW NOISE LEVEL

95% EFFICIENT

100% DUTY CYCLE

### BELT-DRIVEN TRANSMISSION

The POLY-V belt drive ensures significantly lower power losses and three times the service life compared to standard range "V" type belts fitted to other compressors on the market.

### SIMPLE MAINTENANCE

The internal mechanical parts are easy to access enabling routine maintenance to be carried out quickly and simply.
