## Things to Know

Hello parents,

It's a new year and a new beginning and I couldn't be more excited! God has put a new vision in me for the children this year. For part of the year I want to focus on learning praise and worship as a part of life. For the next part of the year, I want focus on learning about ministry. These are 2 things that most people only think stay at church, but they are actual a vital part of our walk with the Lord. I believe teaching the children these lessons, will better equip them for what they will face in the world. Please join me in praying over our children, that they may be receptive to these lessons and utilize them in their everyday walk with God.

As well, for the New Year, I want to plan a monthly activity for the children. Most things will be things that we already do as a church, I just want the kids to be a little more involved, ministry wise. There will be a sleepover every quarter. The Angel Tree party, Halloween outreach, and VBS will be the ministry focus, that I want us to be involved in too. Sister Malori and I have been discussing doing something for Easter, so hold tight on that. ;) We will have summer camp for our summer activity and I would like to do a few more outings. The news letters will be coming our quarterly now, so please be on the lookout for them each quarter and as always, they will be on the website.

This is going to be a jam pack, fun filled year!! I can't wait to spend it with your kiddos. I pray special blessings on each of them as you all as well. If you ever need anything, please don't hesitate to ask.

– Sister Blake
