Things to Know

Hello parents, March was awesome! Spring is here and it's time to celebrate the life of Jesus. I feel such a positive energy from the children. I just encourage each of you to begin praying with your children each day and ask God to reveal what their talents and possible ministry opportunities are. It's never too early for them to learn what God has in store for them.

We will be finishing up our yearlong study of courage this month and moving on to something new. While I encourage you to pray with your children each day, I also encourage you to read the bible with them. Their weekly memory verse is a great place to start.

We are still seeking donations for country store. Our next one will be in April. Donations should be in by 4.22.18. Items should be age appropriate boys and girls, ages 5-12. Items can include toys, games, or anything your child would buy. Again, thank you for your support. - Sister Blake
