Things to Know

Hello parents,

May was Marvelous! The children and I went with Bro. Daniel, Carly, and Megan and went to the park for our Family Kite Day. We enjoyed lunch and blew bubbles, as well. Also in May, we our Parent's Night Out. Thanks for all the help with the success of the night!

For the remainder of June and July, there will be lots of VBS preparation. Parents, if you have a free moment, I'd greatly appreciate any participation in the work days. If you'd like to volunteer in any capacity, please let me know. For VBS takeover service, there will be a puppet show. If your little one would like to participate, I need them to be at, at least 2 practices and dress rehearsal. If they do not make it to, at least, those 3 dates, they will be required to sit out for the puppet show. I encourage your children to get involved in ministry like this and I encourage you to do so, as well.

As I stated in the last newsletter, I would like us to continue a focus on memorizing our memory verses. There are many benefits to our children learning scripture and as parents, it is our responsibility to be sure that they are learning and know scripture. Please help me in assisting your children to grow in the Lord!

Our next Country Store will be in July. Thank you so far for all the donations that have been made. If you'd like to make any more donations, please see me for a list of items.

– Sister Blake
