

Fall 2018

June, July, and August
are GONE!

Between June and July, there was lots of volunteer hours put in for VBS preparation, setup, and production. VBS was defiantly a success. August was a blur. There was no major changes or events in August.

I reached out to the Sister Mildred (the bread lady) regarding Mark, Mark, and Maegan and missing them here at church. I also reached out to Sister Terrie asking about Hadyen.

There were no birthdays for these months.
