## Things to Know

Hello parents,

Spring was a blast! We went to the zoo and attended a Sounds baseball game, as well as performed our Easter play as part of our growing in ministry theme this year.

For the past 6 months, we have been learning all about Praise and Worship and all the forms of how this takes place. From praise and worship in a church service to rejoicing when God helps us through a tough situation. We always have the choice to praise and through worship, strong holds can be broken. Over the next 6 months or so, we will be learning all about ministry. Different types of ministry and helping your children learn, possibly what area of ministry God may be calling your child. As part of that learning, we will be involved in some ministry opportunities here at church, just like the Easter play.

I ask you to pray for your child each day. Ask that God would reveal Himself to them and that they are receptive to the Holy Spirit in their lives. As parents, it is our duty to put our children at the foot of the cross and raise them how the Lord wills us to. Next year, we will begin a series on Salvation. It's early, but I think now is the time to be praying and preparing.

We are looking forward to summer and the upcoming fall and winter months! If you need anything, please do not hesitate to talk with me.

– Sister Blake
