## Things to Know

Hello parents,

The year is off to a great start! Thank you all for what you are doing with your babies. We are still learning praise and worship and will be on this lesson for a while. Worship can help us build our faith and my heart's desire is to have a church of young ones who worship the Lord with no abandon.

Last month our zoo trip was canceled due to the rain. In its place we had a sleepover and went to circus world. With that being said, I'd like to plan another trip to the zoo. So that parents can be involved also, I want to plan the zoo trip on a Sunday. We will plan for Sunday, March 10 and depending on the weather, we will keep going to the next Sunday if we need to.

Please be on the lookout for our Easter play practice schedule. COOL Ave. is working with the teens to put on an awesome Easter production and we couldn't be more excited. Any practice you can help your child with at home is greatly appreciated. Sister Malori will be in charge and I will assist her. If you have any questions, please see one of us.

As well, I am planning a baseball outing to the Nashville Sounds. This will be another outing that parents are more than welcome to attend. I want it to be a family gathering, so the more the merrier!!

Again, if you need anything, please do not hesitate to come to me. Please pray for your little ones and their growth in the Lord during this spring season. I know God has great things in store.

– Sister Blake
