## Introduction

Welcome to the Canna Token Whitepaper. This document serves as a comprehensive guide to our global initiative dedicated to integrating cannabis and hemp into everyday life through innovative solutions. We invite you to embark on a journey that explores the mission, vision, and roadmap of Canna Token (\$CANNA), a project that advocates for mindfulness, education, and the promotion of the diverse utility of cannabis beyond just its recreational and medicinal use.

In this whitepaper, we will delve into the fundamental principles and objectives that underpin Canna Token's existence. We will introduce you to our team of dedicated founders and provide insights into the innovative tokenomics that power our ecosystem. Furthermore, you will discover the myriad use cases for \$CANNA, which extend far beyond traditional boundaries.

Our vision is to foster a global community of crypto and cannabis/hemp enthusiasts who are united in their commitment to driving positive change in

the world. Through the lens of Canna Token, we aim to address pressing global challenges, such as climate change, waste management, and the ongoing criminalization of cannabis. We envision a future where the sustainable utilisation of cannabis and hemp can make a meaningful impact on these critical issues.

Throughout this whitepaper, we will outline a clear roadmap, illustrating the path that Canna Token will follow in the coming years. With each milestone we reach, we aim to not only advance our project but also contribute to a more sustainable and equitable world.

We understand the importance of legal and regulatory compliance and are committed to adhering to the highest standards in our operations. We will also provide technical details about our blockchain technology, smart contracts, and other key components that underlie Canna Token's functionality.

As we invite you to explore this whitepaper, we encourage you to envision the potential for positive change that can be achieved through the integration of cannabis and hemp into diverse aspects of our lives. Canna Token is more than just a cryptocurrency; it is a catalyst for transformation, a symbol of innovation, and a force for good.

Join us on this remarkable journey as we seek to redefine the role of cannabis and hemp in our world and work together to shape a more sustainable, mindful, and informed future.

## **Mission: Profitability and Empowerment for All Industry Communities**

At Canna Token, our mission is to revolutionise the cannabis and hemp industries by harnessing their full potential for profitability and empowerment while fostering sustainable growth and inclusivity. We are dedicated to bridging the gap between innovation and profitability, ensuring that all stakeholders, from growers to consumers, entrepreneurs to investors, and communities to the environment, reap the rewards of our collective efforts.

### **1. Profitability for All:**

- **Empowering Businesses:** We aim to empower cannabis and hemp-related businesses by creating a thriving marketplace that facilitates profitability, growth, and economic stability. By providing access to a global audience and innovative solutions, we enable entrepreneurs to flourish in these industries.
- **Investor Prosperity:** We are committed to delivering substantial returns to our investors, offering them the opportunity to share in the success of the

cannabis and hemp sectors. Through careful tokenomics and strategic partnerships, we strive to maximise financial gains while mitigating risks.

## 2. Inclusivity and Empowerment:

- **Community Engagement:** We believe that the benefits of cannabis and hemp should extend to all communities, regardless of their size or geographic location. We are dedicated to fostering inclusive participation, ensuring that local communities have a stake in the success of these industries.
- **Social Equity:** Canna Token is committed to promoting social equity within the cannabis and hemp sectors. We actively support initiatives that address historical injustices and aim to level the playing field for marginalised communities.

## 3. Sustainability and Environmental Responsibility:

- **Environmental Stewardship:** We recognize the environmental impact of industrial practices and are dedicated to promoting sustainable alternatives. By championing hemp as a renewable and eco-friendly resource, we contribute to reducing carbon footprints and promoting sustainable manufacturing.
- **Green Innovation:** Canna Token fosters innovation in green technologies and environmentally responsible practices within the cannabis and hemp sectors. We are committed to minimising waste and maximising resource efficiency.

## 4. Research and Education:

- **Advancing Knowledge:** We support and facilitate research into the potential applications of cannabis and hemp, encouraging scientific discoveries that can drive industry growth.
- **Education and Awareness:** Canna Token aims to educate the public about the myriad benefits and uses of cannabis and hemp beyond recreational and medicinal applications. Our mission includes dispelling myths and misinformation, fostering a more informed society.

## 5. Advocacy and Legislation:

- **Global Advocacy:** We advocate for responsible and informed cannabis and hemp legalisation worldwide. Our mission is to promote sensible regulation that allows for industry growth while promoting and supporting full on wide spread medicinal R&D practices.

- **Positive Impact:** By contributing to the legalisation movement, we aim to have a positive societal impact, reducing criminalization, and allowing communities to thrive through responsible and regulated industry practices.

#### 6. Medicinal R&D, Support, and Charity:

- In our commitment to social responsibility, we pledge to allocate 25% of token revenues to support medicinal research and development, provide assistance to those in need, and contribute to charitable causes. Our vision includes making a meaningful impact on healthcare, social welfare, and the betterment of communities through these initiatives. Canna Token serves as a catalyst for transformation, uniting profitability with empowerment, environmental stewardship, knowledge advancement, responsible advocacy, and unwavering support for medicinal R&D and charitable endeavours. Together, we are shaping a thriving, inclusive, and sustainable world where the cannabis and hemp industries lead the way towards a brighter future for all.

In pursuit of this mission, Canna Token seeks to create a vibrant ecosystem that aligns the profitability of businesses and investors with the empowerment of communities, the preservation of the environment, and the advancement of knowledge. Together, we envision a future where cannabis and hemp industries are not only profitable but also a driving force for positive change and inclusivity.

Come on board this mission to redefine the potential of cannabis and hemp, creating a sustainable and prosperous future for all industry communities.

## **Vision: Redefining Industries for a Thriving, Inclusive, and Sustainable Tomorrow**

At Canna Token, our vision is to revolutionise the cannabis and hemp industries, paving the way for unprecedented profitability while empowering diverse communities. We envision a world where these industries thrive economically, creating opportunities for businesses and investors, promoting inclusivity, driving sustainable practices, advancing knowledge, and advocating for responsible, global legalisation. Together, we're shaping a future where the cannabis and hemp sectors lead as beacons of prosperity, inclusivity, and environmental responsibility, contributing to a brighter, more equitable world for all.

## Tokenomics

- Token Details:
  - Symbol: \$CANNA (\$POT)
  - Blockchain: Fantom (\$FTM)
  - Total Supply: 420,000,000 tokens
- Allocation of Tokens:
  - Initial Liquidity: 45% (189,000,000 tokens)
  - Ecosystem Partners: 20% (84,000,000 tokens)
  - Development: 10% (42,000,000 tokens) (covering listing fees and community development)
  - Team: 15% (63,000,000 tokens)
  - Canna market integration: 10% (42,000,000 tokens)

## Use Cases of \$CANNA

- Canna Market Ecosystem:
  - Low cost transfers and payments in the cannabis industry
  - Creation of Cannabis-Derived Products for global markets, emphasising online commerce platforms and eventual tokenization of the cannabis and hemp industries.
  - Mutual Platform for growers, sellers, consumers, and entrepreneurs.
  - Legalisation, Charity, and Commercial Investment platforms to capitalise on the emerging industry.
  - Supporting charitable causes through \$CANNA donations.

## Roadmap

- 2024 Q1:
  - Web & Store Development
  - Contract Development
  - Private Sale
- 2024 Q2:
  - Green List
  - Public sale
- 2024 Q3:
  - Token Launch
  - Product Launch
  - Audits and Registrations
- 2024 Q3:
  - Store and Web3 development
  - Product and token integration
  - Business integration and onboarding
- 2024 Q4:
  - Development of further business models
- 2025:

- App development
- DEX (Decentralised Exchange) development

#### Legal and Compliance

- Regulatory Considerations: We are committed to complying with all relevant UK/*international* laws and regulations, including KYC/AML procedures where required.

#### Technical Details

- Blockchain Technology: FTM, ultra quick, low cost transfers and payments
- Smart Contracts: Solidity, Certik Audited
- Other Technical Components: Liquidity Lock, Team Lock, Certik Audited, trn fee 0.002%

#### Community and Marketing

- Community Building: We aim to build a vibrant and engaged community.
- Partnerships: Exploring partnerships with like-minded organisations.
- Outreach: Extensive marketing strategies to promote awareness and adoption.

#### Conclusion

- In conclusion, Canna Token (\$CANNA) is poised to make a significant impact by promoting the utility of cannabis and hemp. Join the mission for a sustainable future.
