Dear Friend of Toledo Campus Ministry -

A lot has been happening around here these past 6 months and we want to share with you our dreams as well as our accomplishments. In July our long-time Administrative Assistant Linda Koder retired and our director, Rev. David Montgomery left to take a pastoral position. A Transition Board is working to reorganize and re-energize this important ministry.

We were fortunate to find Pastor Elizabeth Rand of Monroe Street United Methodist Church to help lead us in this transition time. And it was not just a transition time for the Campus Ministry but also for The University of Toledo. This past Fall the University launched a Wellness Initiative and Toledo Campus Ministry joined in partnership. We are currently exploring new ways to interact with the students, faculty and staff which is keeping both Pastor Elizabeth and the Transition Board busy.

Enclosed is a listing of the various initiatives we are implementing. They range from taking the traditional Wednesday night Soul Food on the road reaching students in dorms to increasing our social media outreach to establishing a wellness and spiritual retreat center tentatively called **Holistic Hands!**

All of these initiatives need your support. There are many ways to join us in this important ministry. From helping with meals, working on the establishment of **Holistic Hands** and/or welding a hammer and paintbrush as we make The Interfaith Center handicapped accessible.

Won't you consider supporting Toledo Campus Ministry today? It is only through your generous support that TCM enters into the next half-century of service to The University of Toledo community as we share God's gift of love. Help us continue to bring the Grace of God to our students.

Yours in Christian Fellowship,
