

MADD's Victim Impact Panel Program is an awareness program for people who have been charged or convicted of driving under the influence of alcohol or other drugs. The panels consist of a non-confrontational presentation consisting of crime victims telling their own personal stories of how impaired drivers forever changed their lives. The program was created with the purpose of helping to restore the health and well-being of victims of drunk driving crashes. In addition, it shows offenders first-hand about the trauma, physical pain, emotional suffering and devastation, financial loss, anger and frustration that is commonly experienced by innocent victims and their family members resulting from a DUI-related crash.

Here are the Online Victim Impact Panel (VIP) details:

- MADD's online VIP can be accessed at <https://online.maddvip.org/>.
 - For Spanish click on the red button "Verifique elegibilidad" (Check Eligibility) and then click on "Iniciar Mi Panel Ahora" (Login and Continue My Panel)
 - The webpage can be translated to Spanish by clicking on the top drop menu
- The cost to complete the program online is \$65. While the VIP fee is still \$50, the online VIP program carries an additional service fee of \$15, which covers the cost of hosting and servicing the program.
- The certificate of completion looks different from our typical VIP certificate, but it still features the MADD logo. To verify the identity of the attendee, the online VIP also takes a photo of the attendee upon completion and prints the photo on the certificate.
- The program can be completed on a computer, smartphone, or tablet—any device that has a camera.
