DESCRIPTION: January 23- How Soon is Too Soon? When to Teach your Children Money Habits for Life

Learn how to begin teaching your children about good money habits at a young age from MSU Extension's Dr. Erica Tobe. By doing it one step at a time — introducing age-appropriate good money habits over time — your children will have a solid financial foundation once they become young adults. We will discuss age-appropriate ways to teach about:

- Saving
- Spending habits
- Budgeting
- Understanding the difference between wants & needs
- Discussing the Concept of Allowance
- Debit cards and Checking accounts

Register to see how you can give your kids a head start and set them up for financial success with money at any age!
