Courtney Hammond- Operations Director

Administrative Report

February 10th, 2025

- **Heating System Maintenance:** Our maintenance team has been collaborating with Erie Welding to address and repair steam leaks at the high school. In addition, they have been ensuring consistent heating across all other district buildings.
- **Roof Repairs:** Masin Roofing was engaged to address and patch roof leaks across all three buildings, ensuring the integrity and safety of our facilities.
- **Drinking Water Management Plan:** We have been actively working on our "Filter First" drinking water management plan, and we are now in the final stages of completing the first draft of the plan.
- **Staff Training:** DMD Environmental conducted internal training sessions on asbestos management, enhancing our staff's understanding and compliance with safety protocols.
